Where To From Here? Asks Vice-Mayor King

Introducing Three Members Of Our Sierra Madre Volunteer Fire Department

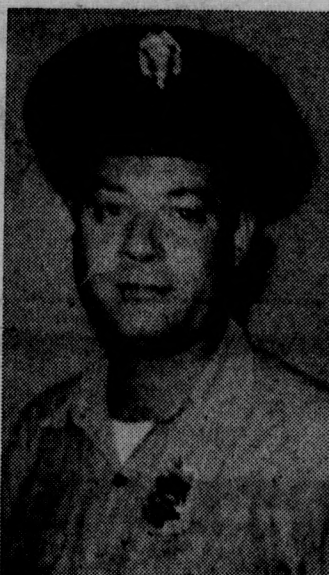

Ron Jorgenson

Ron Jorgenson, 1975 Lillian Drive, and his wife Marilyn, are native Californians, born in Pasadena, have lived here 6 1/2 years. Ron has been a member of the Volunteer Fire Department for 1 1/2 years. His business is furs, his fun golf, bowling, badminton, plus fishing and camping, in which his children join. These are: Lori, 11, Camp Fire Girl; Robert, 9, and Donald, 7, both Indian Guides, and Linda, 5, all attend Sierra Mesa School. Ron belongs to Pasadena JMCs, Kiwanis Club and YMCA Indian Guides, enjoys volunteers' enthusiasm for both drills and parties, admits a 3 a.m. alarm is the toughest thing for him.

T. Neil Smith

T. Neil Smith, 454 E. Highland, quality assurance engineer at Sierra Engineering, came here from Ontario, Canada 7 years ago, joined Volunteer Fire Department 6 years ago. Wife Irene enjoys reading; children are Cathy, Ann, 7, a Brownie; Rene, 6, who wants to be a Scout and a fireman; Patty, Jo, 5. In addition to camping, he is interested in stamp collecting, painting, woodworking, archery, shooting. Has 15 years in scouting; been Scout Master of No. 373 for 2 years; belongs to Oddfellows also. Considers best part of volunteer fire fighting the fellowship, and the worst part, seeing children lose toys in a fire.

Leonard Hall

Leonard Hall came to Sierra Madre 9 years ago from Ontario, Canada, where he had been a member of the volunteer fireman in Welland, town where he was born and went to school. Inevitably he gravitated to our Volunteer Fire Department, where he has been a member for one year. He is a machinist, finds his relaxation in the sport of deep sea fishing. His wife Shirley keeps busy minding their little daughter and only child, Heather Lee, now a year and a half old. The fellowship with other firemen is what takes first rating with Hall, as seems to be unanimously the case with all the volunteers.

City Could Take 2 1/2 Acres To Use For Modern Facilities

Suggests Specialty Type Small Businesses In Shopping Center

by Councilman Richard T. King

At a recent study session of the Planning Commission I submitted a proposal for the Commission's consideration, which I believe could help to solve two of the City's pressing problems. One, of course, is the antiquated state of our City Hall and jail facilities, which have recently come under strong censure by the Grand Jury. The second problem is the more important in my opinion, and its long range consequences could be very serious. This is the condition of Sierra Madre's business district. The Council was brought face to face with the economic facts of life in its recent budget sessions. Councilman Wagner's excellent analysis of our financial picture makes it quite clear that our main hope for avoiding a constantly increasing burden of property taxes lies in offsetting these increases with an increase in sales tax revenue.

Over the 10 year period, 1954-1963, our sales tax revenue declined almost 23 per cent. Why has this happened? Primarily, I believe, it is due to the growth of attractive shopping areas on the periphery of our city, which in the traditional nature of free enterprise, have been able to offer a better price, greater selection, more convenience, and other advantages.

Fire Dept. Open House October 15

Fire Chief Charles Brown has announced that the Sierra Madre Volunteer Fire Department will again have its annual Open House at the Fire Station in City Hall as the highlight of the nation's Fire Prevention Week, which has been proclaimed each autumn by every President of the United States since Harding.

The Open House will be from 10 a.m. to 4 p.m. on Saturday, October 15, at the end of Fire Prevention Week, October 9-15, which always falls in a week containing October 9, the anniversary of the Great Chicago Fire in 1871 when the costly blaze reputedly started in a barn by a cow kicking over a lantern shocked the country into awareness of the need for planned fire prevention.

During the Open House, children and adults will be given a conducted tour throughout the fire station and have equipment and —Please turn to Page 2

Group Formed To Protest

A newly formed group, called Parents in Protest, which opened headquarters in Sierra Madre on Monday, is the outgrowth of indignation on the part of parents and citizens over the new eighth grade history textbook, "Land of the Free," which was adopted by the State School Board on May 13, 1966.

It is the goal of this organization to inform the people of California of the objectionable contents of this book and to coordinate, if possible, the dissension this book has created in the educational circles of the state.

Parents in Protest, whose headquarters are located in the Hotel Sierra Madre, Suite 3, is asking for help from the community in the way of volunteers and donations in order to bring its information program on "Land of the Free" to the people. Additional information may be had by telephoning Parents in Protest headquarters at 355-0143, or by coming to the headquarters between the hours of 1 and 4 p.m.

Huddleston Promoted

HAL HUDDLESTON

Hal Huddleston has been appointed vice president and manager of Home Savings and Loan's Pasadena branch at 860 E. Colorado Blvd. Huddleston's new assignment promotes him to one of the largest offices in Home's extensive Southern California branch system. His Home career also has —Please turn to Page 2

Red Cross Needs More Volunteers In Sierra Madre

Our local Red Cross organization is in need of more volunteers to help carry on the various Red Cross activities in this community, according to Mrs. Richard Law, Sierra Madre Red Cross chairman. Anyone who can devote a couple of hours or more for one day a week or even for one day a month to help with Red Cross work is urged to contact Mrs. Law at 355-9649 or call the local Red Cross office, 355-0745, and find out what arrangements can be made to fit in with their available time. Mrs. Law says that one —Please turn to Page 2

Pick-Up Plunges 200 Feet

Although two men went hurtling some 200 feet down the side of the Santa Anita Canyon when their pickup truck hit and tore the road guardrail, early last Sunday evening, neither was seriously injured. The driver, James M. Sonsteng, 21, of 911 E. Emerson Ave., Monterey Park, was trapped a short while under the truck, —Please turn to Page 2

Sierra Madre Wash Confab Wed. Night

A meeting of the Sierra Madre City Council, the Los Angeles Flood Control District officials and members of the U.S. Corps of Engineers is scheduled for 8 p.m. Wednesday evening, October 5.

This is the project estimated to cost \$776,000 and will be reviewed by members of the Canyon, most effected, as well as others interested. The public is invited to fill the Council Chambers.

PASADENA CITY COLLEGE 1966 Homecoming Court will rule at the PCC-Harbor game October 7. Queen will be chosen by IBM card ballots from the following: Row 1 (left to right) Chris Bettelheim of San Marino, Jeannette Harrison of Temple City, and Kathleen Wiegand of Sierra Madre. Row 2 (left to right) Kristy Gibbons of Arcadia, Jan Suck of Rosemead, Cheryl Blanken of Arcadia, and Donna Edwards of Sierra Madre.

Awards Given By VFW Post

Honor awards will be the order of the evening at the October 12 monthly meeting of Sierra Madre's Veterans of Foreign Wars Harry Embree Post No. 3208, according to Quartermaster Ernie Bailey who has been much involved in lining up the award pins and the people to receive them that evening. Awards will be presented by District Commander Leo Ashkenas, after which a buffet supper will be served. This is the first presentation evening to be held here in several years.

Top honors and pin will go to Louis Van Iersel, the —Please turn to Page 9

To see your newspaper displayed in color on Channel 4 by Elmer Peterson was quite a thrill, and this happened Friday evening at 6:15 September 23.

So while we started out this column about Television we just as well give you our version of the whole cotton pickin' "Boob Tube" exposure.

NEW ITEMS: Three investigators have reported in the British Medical Journal that it has been scientifically proved that British Television caused epileptic seizures in 13 children.

CRITIC'S CURSE: A temporary form of insanity in which a television critic will, after viewing four westerns in a row, leap wildly to his feet and curse like a two-hundred-year-old sailor. Cured only by viewing an old Alfred Hitchcock movie.

CAIN AND ABEL SYNDROME: A form of near-fratricide, indulged in by two sisters who want to watch different programs at the same time. In the more violent form it can cause families to purchase a second TV set. The disease should be treated at once, as sometimes attacks the mother and father of the family with devastating results; the only known cure being the purchase of a second house.

SPECTATOR'S SPINE: A severe and painful curvature of the backbone, brought on by watching television all evening while seated in a modern armchair. Occurs only in the adults, since it has been proved that children's spines are made of wet noodles.

COMMERCIAL COLIC: Caused by a severe hypersensitivity to television commercials. In its early stages, the afflicted adult imagines that he suffers from permanent closure of that little valve in the stomach which opens and closes to let the "A" pills into the bloodstream. Some sufferers have been known to attack the set with the large economy size of a popular household cleaner.

HYSTERICAL HYPochondria: A not unusual disease brought on by viewing too many "medical" shows. The viewer begins to acquire the symptoms being portrayed on the screen. The most dreadful case on record concerns a gentleman who developed all the symptoms of hoof and mouth disease before he realized that he was watching a program about veterinarians.

LAWYER'S LASSITUDE: This malignant disease causes the death of hundreds of lawyers each week. They waste away and die. Their clients are unable to understand why the lawyer can't pull off a last minute miracle like they've seen on television. The saddest case concerned a lawyer who burst while in court. His client had called him "Perry."

ORBS ORBIT: This painful malfunction of the eyes results in the viewer's eyes rolling wildly and independently of each other. Caused by trying to watch a television program while eating a TV dinner in a dark room.

MOTHER'S MAYHEM: A sudden running amok of a mother who has called the children and her husband to dinner for the fifteenth time, but has nothing to show for her screams but a heap of ice cold mashed —Please turn to Page 11

UNITED CRUSADE DRIVE for the Sierra Madre business area was launched Wednesday morning, October 5, with a kickoff breakfast held at the Headliner Restaurant. Postmaster Guy Rosal, the business area chairman, announced at the breakfast that a check in the amount of \$500 received from the Sierra Engineering Co. got the drive off to a flying start. During the next two weeks the campaign will be in full swing and it is hoped that the business area quota of \$2245 can be successfully reached and possibly surpassed.

Attention Citizens of Sierra Madre

Sometime during the next two weeks, many of you will be approached regarding a contribution for the UNITED CRUSADE. The people conducting the campaign are all volunteers who give generously of their time and who receive no remuneration for their services, and they are also all residents of Sierra Madre.

In the past a number of these solicitors have experienced discourteous treatment by having doors slammed in their faces or being referred to as beggars.

It would be a wonderful gesture on the part of all citizens if they would extend the courtesy they would expect to receive, were they doing the soliciting.

Please try to keep in mind that these people are doing a job for the good of the community and you.

Over 100 In Attendance

Lester K. Layton Honored At Testimonial Dinner

A standing ovation was accorded Lester K. Layton as he rose to give his farewell address to the Board of Trustees and members of the hospital staff, at a testimonial dinner held Thursday evening, Sept. 28, at the Flamingo in Arcadia.

As a going away gift the Board of Trustees presented Lester with the newest in slide projectors, equipped with sufficient trays to last for quite some time, and then presented him with the necessary film for the taking of pictures.

John Curtis, Board member, was the master of ceremonies. After a very lovely dinner, and before the introduction of the honored guest and his closest friends, Curtis gave the following history of the Sierra Madre Community Hospital: The Sierra Madre Community Hospital was built in 1956. It is a 26-bed hos-

pital with 58 employees, 23 of whom are nurses. The number of doctors on the hospital staff when it opened for patient care was 26. There are now 49 doctors on the staff.

The hospital was originally built by Dr. George W. Groth Jr. The Sierra Madre Community Hospital Corporation was formed on Dec. 1, 1960. The corporation, at the time of its founding, owed \$477,000. That debt has been reduced to \$395,000. A substantial hospital program is now being worked out.

The hospital is and has been fully accredited since 1960.

The original Board of Trustees was comprised of Lester K. Layton, Betty J. Summers, Dr. James B. Comerford, Daniel L. D'Arcy, Charles E. Louk, Vern Cox and Janet Wood. —Please turn to Page 2

MAYOR FRANK PARKS presents one of the gifts from the Board of Trustees to retiring president Lester K. Layton, at a testimonial dinner staged on Thursday evening, September 29. John Curtis looks on approvingly, after which he introduced the guests, presented the history of the Sierra Madre Community Hospital and presented the additional gifts to the honored guest which included a slide projector, trays and film.

Die-Hard Spirit Prevails

28 Turn Out In Rain For Swim Practice Thursday

An enthusiastic 28 youngsters turned out in the pouring rain for swim practice on Thursday, Coach Roger Keith was happy to report at the September 29th meeting of the Sierra Madre Swim Club Boosters.

While it wasn't up to the 40 that attended Monday and Tuesday's practice, it was rewarding to see that many with the die-hard spirit of neither wind nor sleet nor snow shall deter. He also reported that inquiry into joining a winter league was going on and about ready to jell, and the team was eagerly awaiting the first event.

Chairman Alan Smith was happy to report that the Parks and Recreation Commission recommendation of sponsoring the Swim Team by providing the pool at no cost to the Booster Club was accepted by the Sierra Madre City Council.

Thus Booster Club funds may be used for coaching salaries and, if there is any surplus, much needed equipment as starting blocks, sweat pants, sweat shirts, etc. could be bought. The club felt the fine cooperative spirit of the City Council and the enthusiasm of the average Sierra Madrean to the swim club's hopes was most rewarding.

Treasurer George Krause reported the club's legal counsel, Richard W. John, has been reviewing the Articles of Incorporation and will have them ready shortly. Mr. Gordon Rudolph moved that the group's intent to incorporate be officially filed. This was enthusiastically accepted.

Team manager Chuck Knickelbein reported 29 families were up to date in paid memberships and considering there have been only three practices this was most rewarding. He did

remind all present that as of October 8 swimmers would be given a period of grace to pay fees.

Interested swimmers may still join by coming to the practices at the City Pool, Monday, Tuesday and Thursday from 5 to 6:30 p.m. or Saturday mornings. Fees are \$10 first child; \$9 second child; \$8 third child or more.

If there are any questions, please call 355-0690. The winter season will run from September 26 to December 15, 1966. There is a special need for male swimmers in 12 up age bracket, however, all swimmers are welcome.

The following committees were set up: membership, competition, publicity, transportation and finance. Anyone interested in serving on any of them please contact chairman Alan Smith 355-9643. It takes full participation of the membership to have a swinging team.

Be A Friend

at the annual fall book sale.)

You are not obliged to do committee work but there is plenty of work to join in on if you want to, and it's certainly a quick way to make friends if you are a newcomer. Naturally, you are permitted to contribute more than \$1 if you wish!

So, to make friends, Be a Friend! Mail this blank today with your contribution!

Lester Layton

The present Board of Trustees is composed of Lester K. Layton, James Hall, Jack Tilley, John H. Curtis, Henry Nelson, Vern Cox, Janet Wood, Edith Fish and Blanche Meek. Lester K. Layton was elected president of the Board when it was formed in December, 1960, and has acted as administrator since February, 1964.

For the period of eight months — January 1, this year, to August 31—\$16 patients have been admitted, including 109 newly born. Major surgery patients during this time were 213, minor surgery 198.

A strong right arm of the hospital is the Hospital Auxiliary, composed of local women who give generously of their time in money-raising projects for the purchase of various types of equipment most useful to the hospital.

Over one hundred attended the farewell dinner and wished the honored guest and his lovely wife many years of happiness and assured him that he was always welcome at the Sierra Madre Community Hospital, as a guest or patient.

Services Held For Marian Galbraith

Mrs. Marian E. Galbraith of 97 W. Carter passed away at home Thursday, Sept. 29, after a brief illness. Originally from Vermont, Mrs. Galbraith had been a California resident for 65 years and had lived in this city for the past 18 years.

She is survived by stepdaughters, Mrs. Anita G. Baldwin of Pasadena and Mrs. S. V. Burberick of Los Altos, and by stepson, Harold W. Galbraith of Alhambra.

Services were conducted by Mrs. Tessa Knowles Saturday, Oct. 1, at Ripple Mortuary Chapel. Committal was private at Pasadena Mausoleum.

Parents Announce Engagement Of Daughter Candyce Crawford

A champagne toast by her father at the garden dinner party given for family and close friends by the parents of Candyce Marie Crawford at their home at 1360 Sierra Madre Villa Ave. on September 10 made official the announcement of Miss Crawford's engagement to Michael Edward Farrell, son of Mr. and Mrs. Philip E. Farrell, of Star Route, Montone. No date for the wedding has been set.

"Candy," the bride-elect, is a graduate of Pasadena High School, attended the California Lutheran College

and is currently enrolled in the Nursing Program at Pasadena City College. "Mike," whose family were formerly residents of Pasadena, is a graduate of Redlands High School, where he was active in sports. At present he is attending San Bernardino Valley College.

Where To From Here — King

tractions with which to draw the shopper.

Can the city do anything about the problem? I believe it can, by providing the leadership and the spark needed to rejuvenate the business district.

This proposal contemplates the acquisition of approximately 2½ acres north of the present city hall. A portion of this land would be used for additional parking for the businesses on the north side of Sierra Madre Blvd., which now lack parking. The more northerly portion could be used for construction of modern civic facilities which are so badly needed.

Due to the small size of our city, I do not believe a large shopping center is possible, or even desirable. A number of "specialty"

Pick-Up Plunges

emerged with lacerations on his left foot and was taken by ambulance to St. Luke Hospital with his condition listed as fair. His passenger, Ronnie Thompson, 24, of 725 W. Margarita Ave., Alhambra, was unharmed.

Sierra Madre police were notified of the crash by a phone call from an unidentified woman about 8 p.m. Police reports indicate that the truck was north bound to Santa Anita, and judging from skid marks and the 150-foot drop below the point of swerve, believe the vehicle of have been traveling at approximately 40 miles per hour, instead of a safer 25 or 30. There was no report of intoxication. Conclusion would indicate the need to proceed slowly on curved mountain roads. type businesses would be

more in keeping with the character of the city, and would accomplish the same result for our revenue. It is axiomatic that no landlord or merchant wants to invest where he sees little hope of financial return.

In contrast, if the local businessman and property owners feel that the financial possibilities are good, they will be able to invest in new buildings and remodeling of old ones.

If the city is willing to provide the right climate, and take the necessary steps to this end, I believe it can be done. There are many problems, and it will not be easy, but the alternative is a slow drift into heavier property tax burdens and loss of our community identity.

The Council and Planning Commission are most anxious to hear from residents concerning their ideas on these problems. They are urged to contact any member of these two bodies.

Red Cross Needs

especially important need is for volunteers to help in the cardiac recruitment program. This is the program for the procurement of blood for open-heart surgery. Its importance cannot be over-rated. The local volunteers in this service work only one day each month, on the second Wednesday of the month. If you can help in this service be sure to call Mrs. Law.

Some of the other activities in which more volunteer help is badly needed are: work in the local Red Cross office; help in the Bior 1 Bank Program; Canteen services; etc.

Investment Guidelines

SO YOU'RE THINKING ABOUT BONDS!!!

Good thinking! Bonds, whether municipal, state, federal, or what have you, are generally a pretty solid investment. You're taking a step toward financial security and independence through positive planning. But wait a moment...are you taking a step in the right direction? Would such an investment give you not only the security and high earnings you wish but also the liquidity you might need in time of emergency and without loss of principal? Wouldn't you like all these in one package? Of course, you would. Therefore, we recommend investing in the AFS plan.

Woman's Club to Have First Meet

On Oct. 12 the Sierra Madre Woman's Club will be having its first luncheon and business meeting of the 1966-67 season at 11 a.m. in the clubhouse, 270 W. Sierra Madre Blvd.

There will be reports from the Verdugo District CFWC and other club business in the morning, according to president, Mrs. Roy E. Griffin. To entertain after luncheon the program will be put on by Marilyn Interlandi, soprano, who has appeared in opera, radio and television in New York and toured with Gilbert and Sullivan Repertory Company.

Mrs. Raub McKim and committee are readying preparations for "Autumn Fashion Magic" to be put

on at the clubhouse on Oct. 19 at 12 noon. There will be a luncheon, plenty of door prizes and a showing of finery for the ladies.

Modeling for the club are Mmes. William E. Maxwell, C. L. Anderson, Arthur Maric, Frances Gardner, J. N. Stratton, Glenn Oliver and Alan W. Born; also assisting, Susan Darquea, Jeanne Tonso, Sandy Thistlewaite and Barbara Frey.

Mrs. H. H. Singleton will furnish a running musical accompaniment at the piano. Tickets are out with many club members or may be purchased at the door, but reservations should be made with Mrs. McKim.

Big words do not always convey big thoughts.

News Notes From The Shakespeares

Mr. Paul A. Shaffer, director of the Planning Department of the City of Pasadena, will speak on "Plans for Downtown Pasadena and the Civic Center" at the noon luncheon meeting of the Shakespeare Club on Tuesday, Oct. 11. Mrs. James C. Chambers, president of the club, will preside, and Mrs. Howard H. Hotelling will introduce the speaker. Mrs. Kenneth H. La Mond is chairman of the sponsoring Public Affairs Department.

At 1:45 p.m., in the Shakespeare Auditorium, of which Mrs. William C. Hicks is director, will present a spectacular film on Spain by Dwight Long, photographer, lecturer and author. Madrid, Granada, Toledo and Majorca are featured.

Philanthropy Department of the Shakespeare Club will meet Thursday, Oct. 13, at 10 a.m. in Stratford House for a work meeting. Members will bring their own lunch and coffee will be served. Mrs. Langdon H. Tannehill, welfare chairman, and Mrs. A. J. Fredrick, director.

Piano Study Group in Stratford House at 2 p.m., Friday, Oct. 14. This is a new group planned to understand and make music a pleasure by means of in-

'Silent Auction' To Be Featured By Newcomers

A "Silent Auction" will be featured at the Sierra Madre Arcadia Newcomers' luncheon meeting on Tuesday, October 11, at 11:30 at the restaurant at 325 E. Live Oak.

Members will donate items for the auction, and the proceeds will be used to purchase Christmas gifts for needy elderly persons. Luncheon reservations may be made with Mrs. Herb Pintard, 445-3859, or Mrs. Ray Smith, 446-7696.

The Arcadia Newcomers have now expanded to include Sierra Madre. Mrs. Glen Appleby will be the new Welcome Wagon hostess serving that area.

Members of the Craft Group will meet at the home of Mrs. Jack Friel on October 19 to make holiday candles. Mrs. Ike Stead and Mrs. Herb Pintard will be co-hostesses for the bridge group on October 26.

Newcomer League Bowling is now organized and will meet at Bowling Square every Monday at noon. The Golf Group will meet at Santa Anita Golf Course on Thursdays.

Recent area residents joining Newcomers this month from out of state are Mrs. Kenneth Potter, Ohio; Mrs. Jim Fox, Kansas; Mrs. Roger Davis, Massachusetts; and Mrs. Andrew Fabula, Pennsylvania. New members from other California cities include Mrs. James McCullah, Mrs. Charles Mason, Mrs. Charles Simpson, Mrs. Jack Douglas, Mrs. Roz Buech, and Mrs. Roy Severin.

Guides Mrs. Marcelle Pollock and Mrs. Viola Ross also took to the Fair Susan Huggins, Janet, Ross, Virginia Warren, Evelyn Schoepke, Marilyn Schoepke, Susan Barick, Cheryl Gordon, Terry Slaghter and Donna Dahinden.

The Pilgrims held their first meeting of the season at 4 p.m. Tuesday, Oct. 4, at Bethany Church. Mrs. Theda Wilson is chief guide for 3rd and 4th grade group and her assistants are Carolyn Burwell, Janice Kunihiro and Junior Guide Anne Davidson.

Mrs. Mary Roess is chief guide for the advanced Pilgrims, grades 5 and 6, and she is assisted by Mrs. Helen Obazawa and Mrs. Kay Vangen.

Any girls in Sierra Madre and vicinity who wish to join any of the Pioneer Girls groups, call Mrs. Lois Childers, 355-9813.

On Oct. 8 a number of guides and committee members will attend a Leaders Retreat at Yucaipa. Those planning to attend are committee chairman, Mrs. Lois Childers and committee members Mrs. Rosalyn Schoepke and Mrs. Shirley Packard. Guides attending will be Mmes. Theda Wilson, Mary Roess, Marcelle Pollock, Judy Richter and Misses Carolyn Burwell, Janice Kunihiro and Junior Guides Joyce Pollock and Anne Davidson.

You and Your Neighbor

Kay Wheeler reports the Carmel and the Monterey peninsulas are beautiful as ever; she spent a couple of weeks up that way in connection with a visit to her daughter, otherwise has managed only week-end jaunts and is longing for a real vacation. Question is: how will she get away from the magnetic lure of the Friends of the Library, whose bulletin Kay edits, what with membership drive, new programs, book sale coming up and all? (Footnote: don't see her moving to Carmel instead of Sierra Madre, do you?)

A baby shower was given for Mrs. William (Evelyn) Shaw on September 22 at the home of Mrs. Robert (Margaret) Grube, 1446 Davenport, with Mrs. Betty Brown co-hostess. In addition to Mrs. Shaw's mother, Mrs. Ruth McGraw and two sisters, Elizabeth and Barbara, guests were Mrs. June Fagan, Mrs. Stephanie Laylor, Mrs. Edna Hippenhammer, Mrs. Anne Albee, and Mrs. Shirley Adler.

If you are from out of state and have toyed with the idea of revisiting your home town, do be cautious and prepared for the possible out-come of such day-dreaming: it eventually took Mr. and Mrs. William Younger of 2173 Highland Vista Drive, for quite an elaborate tour this summer, accompanied by their children, Billie, 11 and Lori, 8. Once they had decided to try different transportation and plan how to go at least part way by boat to their home towns of Syracuse and Rochester, N.Y., the summer took over. They sailed from San Francisco in June, put in at Los Angeles and held a champagne party on board for friends here, stopped at Acapulco, where they'd been married 16 years ago, and after a pause at Panama City, went on through the canal. Cary Grant, wife and baby were on the same ship, on the way back to Britain to show off the baby. The Youngsters went on to Curacao, Trinidad, Barbados, left the ship and flew to Antigua, Porto Rico and Miami, where they rented a car and explored Florida for the first time. They drove on up north, exploring more along the way, from Georgia

"Let's Talk Dry Cleaning"
by Joseph Delgatto Sr.
Let's talk about printed fabrics — big news this year in fashions. In the ordinary or direct method of printing fabrics, simple and elaborately colored designs are impressed on the woven cloth by means of engraved rollers. In block printing flat blocks are used instead of rollers and this operation is performed by hand. Stenciling is another hand process of applying colors to fabrics. Often the stenciled design is planned to fit a woven pattern, so it looks as though the fabric were composed of two or more series of different colored threads.

What has all this to do with cleaning? A great deal. Your cleaner must make certain that the dyes used in the roller or stenciling process are color-fast; that they will not "bleed." Combination fabrics — like wool - and - nylon, rayon - and - wool, dacron - and - nylon — all require different types of dyes which in turn impose a need for special cleaning formulas. Every garment you send us for cleaning presents its own special challenge. We'll always make the necessary tests to determine which method will insure safe, satisfactory results. If it can be cleaned, we can clean it... just a little bit better!

You and Your Neighbor

by Mary-Madellent Lamphier

Auditions for the San Gabriel Symphony are held Monday evenings at 7:30 in the band room of Clinton Junior High in Monrovia. Family membership for season is \$10, for students \$2.50. (Write Citrus College Art Center, 18824 E. Foothill Blvd., Azusa.) This is the fourtieth year this group has been giving "Living Music" to the people of the Valley, now three million in population. And the question of taking young children to concerts brings up the spectacular performance of the very young Japanese violinists taught by the Suzuki method which packed the PHS auditorium last Sunday, for hearing good music repeatedly is an important part of the teaching which has seemingly accomplished miracles. Suzuki's ideas have struck fire in America in regard to teaching in general, not just for music. The Talent Education begun in Japan in 1946 has taught violin to

nearly 15,000 Japanese children, and in the past 12 years as many as 1,500 have played each year in National Concert. Keynote of the method is the concept that "talent is common, favorable environment is not." Deeply moving is the fact that Mr. Suzuki's philosophy is love and service and that he initiated his music "movement" of teaching the very young in the hope of mitigating the suffering caused to innocent children who were suffering the aftermath of war in Japan not only in terms of survival needs but in education. The beginning here of his second U. S. tour with ten children was, for me, shatteringly emotional in both the impact of the beautiful music produced by the children and in the hope and inspiration it gives for freeing talents everywhere for every age.

The wives are complaining, it seems — about the first Annual Sierra Madre Fall Classic of course, because they want to golf, too. So next year, promises Boyd Smith, there will be a co-ed tainty be a "Scotch mixed eighthousie," which means a game where husband and wife hit the ball alternately. Sounds fun, albeit potential dynamite! Those signed up for this year have high hopes, now that Brian McGlerick, scratch player from San Gabriel Country Club will be away to play in the Sahara Invitational, and bets are in progress on Irwin Gersh (Lisette Shop) as the main gunner. However Ray Obazawa, Bud Hartman, Wake Angel and Jim Oldham have lightened belts and acquired a menacing gleam of eye so he'd better not count on a sure thing. The sleepers are quietly saying nothing, so watch for midway results next week.

Crib Crop

First child for Mr. and Mrs. Danny McCue (nee Sue Ellet) was a girl, Dana Lee, weighing 5 pounds, 1 ounce, born Sunday, Sept. 18, at Westminster Community Hospital, Westminster. Maternal grandparents are Mr. and Mrs. Charles Ellet Jr., 536 Manzanita Ave., Sierra Madre, and paternal grandparents are Mr. and Mrs. Edward McCue of West Covina.

Never a dull moment in the Ellet household. After seven wonderful weeks at Cardiff-by-the-Sea, Mr. and Mrs. Ellet returned home for opening day at Sierra Madre School, where Tom entered 6th grade and Wendy the 5th. Mrs. Ellet was on hand Wednesday to greet the new granddaughter, whose proud parents, Mr. and Mrs. Danny McCue have recently purchased a home in Huntington Beach. Mr. Ellet, who is currently in San Francisco, is hoping to fly down to see Dana Lee.

Bldg. Permits Still Lower By \$1 1/2 Million

Building permits in Sierra Madre continue to be far below the same period of last year.

The first nine months of 1965 showed permit valuations of \$2,531,837 and for the same period this year, \$984,642, a drop of approximately one and a half million.

Building permits issued for September of this year were 21, with valuation of \$78,925. Number of dwelling units, 2 singles with valuation of \$50,000.

Street, electrical and plumbing permits issued 38, fees \$202.50. Plan check and permits fees, \$384. Business licenses \$347.75.

Dog licenses, 29, fees of \$141; bike licenses, 23, \$23.

As Ives Sees It

a tough ball club that has played together for three years. They escaped with a narrow 14-13 win last weekend and should be able to do the job on Glendale.

USC and UCLA have proved they rate among the best in the nation. Hankus likes them both this weekend. Troy faces a rebounding Washington eleven that mesmerized Ohio State in Woody Hayesville but the Trojans have plenty of horses and a solid defense. Tommy Prothro's troops looked great on TV, and the Beban-Farr-Busby offensive threat should be able to score on the Rice Owls at will.

WASHINGTON STATE is also about due for a win and should get it against Arizona St. . . . OREGON STATE over hapless Northwestern . . . NOTRE DAME to conquer Army but it won't be easy . . . CALIFORNIA proving to be tougher than expected will win against pass-happy San Jose St. . . . DARTMOUTH to bounce back for a slim win over Princeton.

ILLINOIS, much better than an 0-3 team, will belt Ohio State again . . . MINNESOTA to outscore Indiana . . . MICHIGAN STATE to eke out one over Michigan . . . SYRACUSE, coming into their own, to slip a "deep-six" treatment to Navy . . . TEXAS, a rising power, over Oklahoma, but close . . . TEXAS CHRISTIAN over Texas Tech in a high-scoring fracas . . . RAMS by 3 over Detroit and wayout for the upset . . . GEORGIA TECH with the advantage of the home lot to gain a slim win over Tennessee in the TV game.

STANFORD is looking better each week and should defeat Oregon.

ON THE LOCAL FRONT . . . Lots of pitchers battles on tap each Sunday at Heasley Field. Adult softball action with Joe Grippi's Tigers, the Dapper Dodgers, Holcomb's Colts and La Lone's Yankees.

Resolutions Given Passage

Chamber Enthusiastically Plan For Holiday Season

Two resolutions passed at the monthly Board of Directors meeting of the Chamber of Commerce held Tuesday, October 4, indicate the local strong feeling about two matters:

And whereas, a number of proposals for reductions and limits are being brought forth throughout this State;

Now therefore, be it resolved, that the Sierra Madre Chamber of Commerce expresses its support of the principle of a State Constitutional Amendment to limit the total of the real property tax rates to a specified percentage of market value;

And be it further resolved, that a copy of this Resolution, together with a request for consideration of a restoration of the former amount of State subsidy for local schools, shall be sent to our State Senator and candidates, Assemblyman and candidates, Assembly Committee, Assembly Revenue and Taxation Committee, and State Senate Revenue and Taxation Committee.

Resolution

by Lola Rudbach
We, of the Board of Directors, Sierra Madre Chamber of Commerce, resolve that S.M. children must be bused to Wilson Junior High School in Pasadena. If this bus service is discontinued, the safety of the children will be impaired, families will move from S.M. to areas more convenient to schools, with the resulting drop in property values and loss of sales tax revenue.

Details for the Chamber's fund-raising turkey shoot to be held Saturday, October 29 at Eaton Canyon gun range were reviewed and it was agreed to encourage merchants to hold a Dollar Day promotion that weekend.

It is expected that some 100 turkeys will be given prizes at the shoot, and since there will be "lucky" type targets as well as skill target, ladies will also stand a fair chance to win a feast for their families. The Clarion has contributed posters for the events.

The annual Halloween window painting contest and parade will again be supported by the Chamber in conjunction with the Department of Parks and Recreation on Saturday, October 29, with prizes awarded at 7 p.m., Sierra Madre School auditorium.

With a balance now in the treasury of over \$1300, the Chamber sees no problem in supporting the annual Christmas promotions, with a new addition, the presence on December 22 and 23 of "Santa's Sleigh" at a cost of \$600 plus another \$100 for advertising, which, with a seating capacity of 40, it is anticipated can give 2000 children a ride during these two days.

The usual awards for store window decorations will be offered, and the wandering Santa Claus will this year be partially supported by having the merchants pay for the time he spends in individual stores.

The Board decided in favor of rearranging the dues period to accord with the calendar year, and it is definite that there will be a separate retail division for the purpose of securing volunteer promotion funds annually so that promotions may be more effectively planned and budgeted in advance. Bill Sullivan and Wayne Woodruff will assist Ralph Hurwit on the retail division committee.

Doug Delahooke and Jim Burke have undertaken the committee to secure nominations for Citizens of the Year and welcome citizen suggestions; it was agreed that this award, first time for the Chamber, could be made posthumously when inquiry was made in connection with the late Carl Brand.

Board members present were President Delahooke, Secretary D. Underwood, Treasurer J. Burke, J. Asher, D. Boggio, J. Hall, R. Hurwit, R. King, J. Meade, L. Rudbach, W. Sullivan, R. Thurston and B. Wightman.

Resolution

by Jerry Asher
Whereas, homeowners are being severely burdened by raised levels of the general property rate; And whereas, real estate is now bearing a disproportionate amount of the costs of local government; And whereas, the State subsidy for local schools was sharply reduced a few

San Francisco To Be Site

Annual CREA Convention To Be Held October 2-6

The annual convention of the California Real Estate Association was held October 2-6 at the Fairmont and Mark Hopkins Hotels in San Francisco.

Attending along with Arcadia Board of Realtors President John H. Curtis are several local Realtors including Joe E. Earle, CREA director at large; state directors Paul V. Doleshal, Edna A. Lundberg, Jeanette Edney, Leslie Webster, first vice president Alice Kauffman, president of Arcadia Chapter of Women's Council Mary Hinkle, vice president W. T. Beckwith, Rosemary Scott, Robert P. Johnson, Fred Griesinger, and Edith Casey. Also attending will be Dorothy Thomson and executive secretary, Jane Walker.

Speaking were Governor Edmund G. Brown, who gave the keynote speech at the opening session; Ronald Reagan, Republican candidate for governor; Jack Justice of Miami Beach, Florida, president of the National Association of Real Estate Boards; and James C. Downs, Jr., chairman of the board of the Real Estate Research Corporation, Chicago.

Curtis said that the annual five-day convention was traditionally one of the largest in California, last year drawing 3,400 registrants when it was held in Los Angeles.

James Downs, who spoke on the "Realty Outlook" on Thursday, October 6, is in great demand for his authoritative comments and predictions on the real estate

market, its trends and prospects. Curtis added the convention featured numerous workshops, panel discussions and conferences aimed at helping the Realtor and his salesmen serve the public better.

Turkey Shoot October 29

The call has gone out by the S.M. Chamber of Commerce —

"Make a Date with a Turkey. Have a Happy Halloween Weekend! 100 Birds to Win! Skill Targets for Males! Luck Targets for Girls!"

Saturday, October 29 is the day for the big turkey shoot at Eaton Canyon Gun Range, sponsored by the Chamber of Commerce to raise funds to promote our unique Sierra Madre. Hours are 10 to 4.

Go before the kids paint their store windows for Halloween, then turn up for the decoration awards at Sierra Madre School auditorium at 7 p.m.

And then on Monday evening, October 30, turn out to watch the annual Halloween costume parade. Everybody will win this weekend because merchants are having a three-day Dollar Day promotion, so BRING YOUR FRIENDS TO THE TURKEY SHOOT.

Few people decline an invitation to a good meal, regardless of how busy they may be.

New Film Service Launched By Our Library System

The San Gabriel Valley Library System is launching its new film service beginning Oct. 3 at the Altadena, Monrovia, Pasadena, Sierra Madre and South Pasadena Public Libraries. Almost 150 films for all ages are now available to the residents of the five communities, some of which have no had film service before.

A number of children's films, such as "Doughnuts," "Snowy Day" and "Beaver Dam," are included in the 30 films purchased by the System. Young people will enjoy "Riding the Big Surf," "Instrument of the Orchestra" and "South America," among others. Adult fare includes creative films such as "Begone, Dull Care," a lively experiment in animation, informational films such as "Rice" and "African Village," and thought-provoking films like "Metropolis: How to Look at a City."

For convenience in handling and caring for the films they are housed at the Pasadena Public Library, 285 E. Walnut St., in the Fine Arts Department under the direction of Miss Josephine Pletscher. "Individuals or organizations who can provide their own projector and screen are welcome to pick up and return the films here," said Miss Pletscher. "But persons living out of town may make reservations at any of the other four libraries via our private line teletype network."

In addition to System films, the Monrovia, Pasadena and South Pasadena

Libraries have made available to residents of the five communities an additional 120 films placed on deposit by various firms and governmental agencies. The subjects of these films range from travel in Canada to commercial fishing to wildflowers. Individuals or organizations wishing to borrow these films may also book them through their local libraries, but must pick them up and return them to the depository libraries.

In order to help film users select the best possible programs, the San Gabriel Valley Library System has provided a film catalog showing location of all the films, providing a subject index and the age level to which each film appeals. Copies of the film catalog are available for use at all five libraries.

"Our System films have been chosen by an excellent, knowledgeable committee," said Mrs. Winifred Ragsdale, System coordinator, "and we expect a heavy use of them. This new service is one more example of improved service possible through the cooperation of libraries pooling their resources."

Film committee members are: Miss Ruth Banks, chairman, Monrovia; Miss Josephine Pletscher, Pasadena, and Mrs. Viola Sirolas and Mrs. Teresa Kennedy, South Pasadena.

ATEND THE CHURCH OF YOUR CHOICE SUNDAY Make It A Weekly Habit

Defensive driving will always pay

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK—millions leave them there!

Religion is a vital need at every age. And these boys and girls are busy gaining religious knowledge that will be important to them all through life.

We growups are accustomed to the Church's presence in community life. It is always there, gracing the horizon with its spire . . . offering its message of faith to a confused world.

But peek into the corner of a beginner's room on Sunday morning and behold the majesty of the Church's mission. It brings the consecrated talents of artists, writers and teachers together, and focuses them upon the eager minds of a generation preparing to face life. It gathers the spiritual truth unfolding for centuries, and in beloved story brings it to the ready ears of tots and toddlers.

Support and attend the church of your choice. Make sure your children are sharing in this life — enriching STORY TIME WITH GOD.

FIRE PREVENTION WEEK

Is

OCTOBER 9 TO 15

Attend Our
FIRE DEPARTMENT'S
OPEN HOUSE
SATURDAY
OCTOBER 15

You can never be too careful when it comes to preventing fire! That's why good safety habits at home, at work, at play are the rule, never the exception. At home, check often to guard against accumulation of flammable debris, faulty wiring, other fire hazards. At work, obey fire department regulations to the letter. At play, make sure campfires are out, dead out. Caution now may save lives later.

FIRE PREVENTION is everyone's job

Did you know that United Way makes possible among the many services it supports, low cost or free counseling services for troubled families who can't afford a psychiatrist? Matter of fact, working with the family as a unit often resolves immediate problems faster. So let us add our bit to this year's drive for funds — and if you know a neighbor might be perplexed with a family situation, recommend Foothill Family Service, 792-1541.

Mr. and Mrs. Morris Katzman who moved into their house at 446 Gatewood Terrace a few months ago after a year in a Pasadena apartment share the usual reactions of newcomers, especially when they have come from the frantic East — this family has been living in New Jersey. Mrs. Katzman phrases it that "it still seems like I'm dreaming it, the beauty and the quiet." The Katzmans have two daughters, Esther, who attends PHS, and Aviva Ann, who goes to Wilson.

Meet Your Friends There.

'PEPTONE'

By ALICE MANG

In this great world of entertainment, it is often hard to think of who's "coming" or who's "going." There's one thing for sure though, a group that's definitely on its way in "The Shattered Image."

Since its beginning about a month ago, the boys have obtained a manager, Joan Gordon, and received offers from two record agencies: Kerschco Productions and Dot Records, to record such numbers as "Don't Stop," "Can I Get a Witness" and "Longest Reach."

A month seems like a short time to get organized, but these guys graduated from two other groups, namely, The Risk and the Falling Angels, who played at the Teenage Fair, Pandora's Box and the Disco-teen in Covina.

An interesting fact about the Image is that four members can play more than three instruments. This includes Dick Bredice, their bass guitarist, who at the age of 16 is a "musical genius."

Other members of the group include: drummer, Tom McCue, a junior at Arcadia High, and lead guitarist, Lance Ken, a senior at Monrovia High.

Mike Kelley, organ player and lead singer, already is out of school and becoming famous, while Gary Romin, the rhythm guitarist, is the leader of the group.

The Image takes pride in trying to be the best-dressed band around and plays original music.

In the oncoming weeks The Shattered Image will be playing at Arcadia High dances. Try and make it a point to see them.

The Menu Story

by Frank P. Burke

Today's menu story concerns a place that doesn't have a menu.

This is quite unique, due to the fact that Joe Gothard has all the business he wants.

About five years ago Joe's sign blew down during one of our "unusual rainstorms." Business was so good he never did have the sign fixed.

So the result is—it is hard to find, 'cause he doesn't advertise.

This man like (Mr. Jack Slade of Robin Hood Inn, Glendale) is dedicated. He buys the best food and serves it well.

It is only for the public to find and appreciate good houses like these two.

Try a bottle of Petite Sirah with your steak at —
THE STEAK PIT
Contact me for directions.

This weekend both Saturday and Sunday from 10 a.m. to 6 p.m. the Santa Monica Civic Auditorium features the Third Annual "Wonderful World of Plants and Flowers," with collections of both old and new, so take your young botanist or science enthusiast.

Mrs. H. Wharton New President of SM Hospital Aux.

Mrs. Harry E. Wharton, new president of the Sierra Madre Community Hospital Auxiliary, was installed at a luncheon meeting recently. Mrs. Chester F. Lightizer, a past president, was installing officer.

Serving with Mrs. Wharton are Mrs. Edward W. Chapman, vice president and public relations; Mrs. Paul A. Hensley, secretary and bulletin, and Mrs. William J. Sullivan, treasurer.

Directors are Mrs. William B. Meek, Hermosa House chairman, and Mrs. A. R. Schoepke, Candystrippers chairman.

Others are Mrs. Otto K. Anderson, membership; Mrs. J. F. Morris, volunteers; Mrs. Walter Nollac, telephone; Mrs. Warren E. Brown, rummage sale; Mrs. Severin L. Sorenson, baby photo service, and Mrs. Jack A. Tilley, executive hostess for the auxiliary.

The retiring president, Mrs. Herbert G. Hargrave, was honored and presented with a plaque for more than 1,300 volunteer hours of service she has given the past year. She will serve as chairman of ways and means next year.

Miss Cindy Lighthizer was installed as president of the Candystrippers along with Lenore Healy, vice president, Jane Darbyshire, secretary, and Ann Davidson, treasurer.

Lester K. Latham, retiring administrator of the hospital, was made an honorary member of the auxiliary.

Almost \$5,000 was raised during 1965-1966 by auxiliary members and Candystrippers and donated to the hospital for new and additional equipment. Included were an isotope unit for the newborn, Uni-Tray cart for the service of hot and cold food to the bedside at the correct temperature, redecoration of the O. B. room and nursery and nursery room improvement projects.

Mrs. Wharton, as new president, has taken as her theme, "We're Off to the Races," from one of the forthcoming year's main money raisers—the Day at the Races on January 6. With a new project for this year and the largest to date—the Intensive Care Unit Fund—she is certain the group will end up in the winner's circle with this endeavor.

Elementary School Menu

35c Tray Lunch
Oct. 10-14, 1966

Monday—Tater, pups, celery sticks, diced peaches, ranger cookies, French bread and butter and milk.

Tuesday—Hamburger with fixings of lettuce and pickles, buttered mixed vegetables, cheese square, prunes and milk.

Wednesday—Meat balls and potatoes au gratin, carrot and raisin salad, jello cubes, buttered yeast biscuits and milk.

Thursday—Meat and cheese enchilada, refried beans, green salad, banana, bread and butter and milk.

Friday—Macaroni and cheese, tomatoes and celery, deviled egg on lettuce, red grapes, whole wheat roll and butter and milk.
Menu subject to change.

Through October runs the California International Sea Festival at Long Beach, with wind-up of events and competitions on October 30 with a big parade.

— ☆ —
Dazzle a visitor with polo games; every Sunday at Santa Barbara Polo Club, 2 p.m., U.S. Highway 191 at Nidever Road.

— ☆ —
And strictly for yourself enjoy the luxury of dreaming at the A.I.D. Interior Design Show and Furniture Fashion Exposition through October 16 at the L.A. Memorial Sports Arena, evenings 6 to 11 p.m. (Evening hours mean you can take a husband, and then when all that creativeness inspires you to some modest purchase or do-it-yourself, he'll be both relieved and doubly appreciative.)

New Toy Soldiers To Celebrate With 'Be A Toy' Party

When the Toy Soldiers decided at their September monthly meeting to make their first "troop" party, scheduled tentatively for Dec. 3, a costume "Come as a Toy" affair, it was the culmination of a year's planning and over six months of work on the part of the girl members, who are volunteer workers for the Toy Loan program here and for its Toyarian, Mrs. Helen Peterson. Mr. Frank Green of the Sierra Madre Theater is co-sponsor of the party with the Civic Club, sponsoring organization of the Toy Loan program here; he has also generously provided free movie passes to each "soldier" upon completion of her first 20 hours of work.

This volunteer group was organized, after much planning, to take some of the work load off the shoulders of the Toyarian, which has grown along with increased use of facilities by local children, and to provide a service project for youth groups, such as the Girl Scouts, who can earn community service credits by this work.

At the first official meeting of the first group of young volunteers in March there were 15 girls eager to help organize toys, clean the cottage, help rearrange new toys and make favors for the semi-annual parties for doll adoption and honor award ceremonies. The number has since doubled, not surprising, since in addition to service as an incentive, many of the volunteers had themselves once been toy borrowers.

At work the girls wear their own chosen uniforms consisting of aprons with deep pockets and head scarves, made of turquoise denim trimmed in red and embellished with the emblem in felt which one member designed for them. These uniforms are also worn for participation in community activities.

To date, the Toy Soldiers have entertained at the Toy Loan party in May, as well as helping serve refreshments for it; have marched in the hometown annual Fourth of July parade; served as hostess-helpers at the annual Kiwanis Community Breakfast and at the recent dedication and open house for the new addition to the Toy Loan Cottage. Girls interested in joining Toy Soldiers are invited to talk to Mrs. Peterson at the Cottage Tuesdays and Thursdays after school, or to call Mrs. Jane Holcomb at 355-2575.

Foursome Scorers At Eaton Canyon

Scoring the best ball of their foursome, the team of Gwen Bergh, Zoli Alexander, Gloria Keough and Ruth Dunning took top honors in the Tuesday, Sept. 27, Eaton Canyon Women's Golf Club's tourney.

In second place was the foursome of Betty Reese, Doris Pooler, Fran Ross and Margaret Dunkle.

The third place team consisted of Sara Rose Parott, Bonnie Smoyer, Flo Temmesfeld and Treva Schmidt.

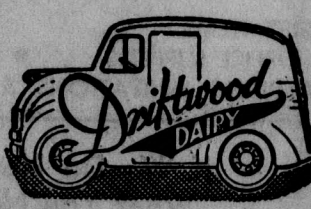

Nursery School Bridge Tourney

Sierra Madre Community Nursery School Association invites all bridge enthusiasts—beginners, intermediates and advanced—to participate in its annual Round Robin Bridge Marathon. Bridge chairman, Mrs. Douglas Hodgdon, has announced that all reservations must be made by Oct. 7. The sign up sheet is available at the school, 701 E. Sierra Madre Blvd., or interested persons may phone Mrs. Hodgdon at 449-4585. Play will begin soon after Oct. 7.

The couples marathon is to be played one evening a month and the ladies will play one morning each month through next spring. Bridge players are urged to call for a reservation immediately in order not to miss the fun and a chance at some of the fine trophies.

Ingathering Tea October 13

The Sierra Madre Needlework Guild, "the charity that helps other charities," will hold its annual Ingathering Tea on Thursday, Oct. 13, from 3 to 5 p.m., at the home of Mrs. Terry Chambers, 650 Oak Crest Drive.

The garments made during the past year by members of the sewing group of the Guild will be on display at the tea and later will be added to the articles of new clothing and bedding and cash donations contributed by guests at the tea for distribution through

the Pasadena Branch to local institutions and charities.

The Sierra Madre Needlework Guild is a section of the Pasadena Branch of the National Needlework Guild, an organization founded in 1895 for volunteers who wished to help the needy. Membership is extended to all individuals who contribute two articles annually. The local Guild is governed by a Board of Directors of Sierra Madreans.

Mrs. Carl Hansen is chairman for the tea, assisted by Mrs. Nathaniel Ven de Verg.

Alpha Phi Group Holds Western Get-Together

The "Chuck Wagon A-Go-Go" rolled out for the Alpha Phi Alumnae of Pasadena Saturday evening, Oct. 1, at the home of the president, Mrs. John Balian of 559 Valombrosa Drive, Pasadena. Alpha Phis and their husbands and guests from the San Gabriel Valley area were sporting their Western "duds." Mrs. Donald Fickas of Arcadia was in charge of the "round-up" and Mrs. Robert Campoy, also of Arcadia, and her enthusiastic committee created the Western mood. Folks learned about this event by receiving brown paper bag invitations.

A really hearty chuck wagon dinner of barbecued ribs and chicken, potato salad, tossed green salad, corn on the cob, hot rolls and apple pie was served to the ladies and their gentlemen. Dancing to the music of the Go-Go Band made the fun-filled evening complete.

Four Saturday lecture-workshops in English re latest research on teaching in junior and senior high schools will begin October 15, is open to other than teachers, can be a 3-unit course, sounds good. Check UC Extension, 747-4321.

Can't help sometimes feeling sorry for the young people today. True, they have more of the so-called advantages of modern civilization, the luxuries of our times, but what a heavy price they must pay. They no longer have time for days to do nothing in... To sit by a fire and toast marshmallows without the outward pressures reminding them of things that must be done, competition that must be met.

Their eyes are focused on outer space when there is still the world to conquer. It is becoming a world of big talent with the little talent people struggling along trying to get an education with monumental effort and psychological after effects.

Parents no longer have time to converse with their children except between telephone calls and television commercials. The balance of their time is spent seeking out a living to provide their loved ones with "advantages." Mother no longer stays quietly at home performing acts of love with her sewing, cleaning, and culinary arts. Chances are she is out supplementing the family income or conquering some worthy cause. If she should choose to stay home and keep her family provided for society would look askance. She too must stay on the treadmill to keep up.

Truthfully, life is probably a lot more stimulating and interesting. If you have the energy there is absolutely no need for boredom, if you had the time to be bored. The young people will grow up with or without talent a lot more informed than their elders and the pace will get faster, but oh wouldn't it be wonderful now and then to have just a few of those "do nothing" days again?

But speaking of the doers—the social highlight of the autumn season was the Cystic Fibrosis Guild Dance held last Saturday night at the Huntington Sheraton Hotel.

The theme this year was a "Carnival in Venice" and true to form the decorating committee seemed to weave a magic spell in bringing the charm of a Venetian evening into the ballroom.

You might have just stepped from the gondola at the entry way into Venice with its brightly painted poles that line the canals. The tables were subtly illuminated by blue candle sticks with a river of blue flowers trailing down the length of the tables. The entire ballroom sparkled with tiny twinkling lights, and the guests themselves completed the picture in an unbelievable array of lovely gowns.

There were many, many pre-dance parties. I am limited by space to mention but a few.

Mr. and Mrs. Don Hays had their annual pre-dance cocktail party and post-dance breakfast. Among their guests were Mr. and Mrs. David Hyatt, who by the way have never missed a Cystic Fibrosis Guild Dance, Mr. and Mrs. Allan E. Boal, Mr. and Mrs. Ray Anderson, Mr. and Mrs. Herbert Anderson, Mr. and Mrs. Earl Brock, Mr. and Mrs. Cal Mathieu, Mr. and Mrs. George Lane, Dr. and Mrs. Richard Miller and Mr. and Mrs. Willard Bell, Jr.

Mr. and Mrs. Gene Rode had in their group, Dr. and Mrs. Robert Mueller, Mr. and Mrs. James Smith, and Dr. and Mrs. Clete Dorsey.

They were joined for cocktails by Mr. and Mrs. Char-

les Hardison and Mr. and Mrs. Frank Lott, Mr. and Mrs. Matt Slavin, Mrs. Sherry McClain, and Mr. Ken Slavin.

Mr. and Mrs. Dom Gian-gregorio and Mr. and Mrs. William Olson co-hosted a pre-dance cocktail party. Their guests were Mr. and Mrs. Brewster Benedict, Mr. and Mrs. James Fay, Mr. and Mrs. Charles Huckaby, Mr. and Mrs. Guy Knudson, Mr. and Mrs. Robert Mardian, Mr. and Mrs. A. C. Ong, Mr. and Mrs. Joseph Phelps, Mr. and Mrs. Kenneth Rimpau, Mr. and Mrs. Ben Rogers, Mr. and Mrs. Robert Russell, Mr. and Mrs. Warren Newton, Mr. and Mrs. Forrest Paxson, Drs. Wang, Mr. and Mrs. L. R. Hackney, Mr. and Mrs. Richard Fox, and Mr. and Mrs. Richard Kessler.

Mrs. A. C. (Dottie) Ong had a brunch last Thursday morning to introduce her new neighbor Betty McBride. Everything went along with only one small hitch—the guest of honor was unable to attend. It seems she had the measles. She did make a late appearance and just stood in the doorway and waved at the guests she never had a chance to meet.

Dottie invited Mesdames Dot Mardian, Pat Olson, Pat Gian-gregorio, Katie Fox, Ginny Welch, Madeline Harris, Louise Phelps, Mel McCoy, Maggie Pyle, Chrys Goldsworthy, Allene Hedrick, Edna Crawford, Ruth Siechert, Lorraine Griffith, Ruth Becker, Nancy Mueller, Nita Bacon, Jean Fricke, Molly Mangan, Bea Dunning, Betty Osburn, and myself.

The guests able to attend all agreed it was a lovely way to spend a rainy day.

Crib Crop

Mr. and Mrs. Walter A. Wilson of Newport Beach, former long time residents of Sierra Madre, proudly announce the birth of their first grandchild, a girl, Shaun Lee, born on September 19, at 12:35 p.m. in St. Joseph's Hospital, Orange County. The baby weighed 7 pounds 9 1/2 ounce.

The proud parents are Mr. and Mrs. Dennis A. Wilson, owners of Orange Travel Bureau and Western Union, Orange, Calif.

Dennis attended Sierra Madre and Pasadena schools.

The maternal grandparents are Mr. and Mrs. Bert Cottle of Santa Ana, and this is also their first grandchild.

Adult Soft Ball Results Reported

If you are missing some of your friends who play softball on Sunday with the Sierra Madre Adult Softball League, check the Medical Center. It was reported that five players complained of pulled muscles last Sunday in the first games of the season.

Approximately 50 spectators saw the Sierra Madre Tigers (coach Grippi) beat the Sierra Madre Dodgers (coach Drapper) by a score of 18 to 10 and the Sierra Madre Colts (coach Holcomb) beat the Sierra Madre Yankees (coach La Lone) by a score of 14 to 6. The league now has 62 registered players who play each Sunday at Healy Field, Sierra Vista Park.

Any male adult who is interested is urged to come Sunday at noon. The teams play at noon and 2:30 p.m.

This Sunday the Yankees will play the Dodgers at noon and at 2:30 p.m. The Colts play the Tigers.

Missionary Rally Set For October 5

Wednesday, October 5 at 7 will be the occasion of the Fall Family Missionary Rally sponsored by the Bethany Missionary Fellowship. The meeting will mark the first function of the Missionary fellowship since May.

Featured on the program will be Mr. Dennis Plies, a candidate for missionary service under the Far East

Four Day Confab Set For Librarian

Paul Ax, city librarian of the Sierra Madre Library, and Mrs. Mildred Clark, Mrs. Margaret Duran, Mrs. Gloria Hinshaw, and Mrs. Mary Tumilty will attend various meetings of the four day 68th annual California Library Association conference October 4-8 at the Biltmore Hotel in Los Angeles. Some 2,000 librarians from all over the state are expected. Theme for the library conference is "Status Quo or Grow: Decision for Today."

Among important speakers scheduled are Dr. Robert Downs, dean of library administration at the University of Illinois; Frank G. Jennings, author and editor-at-large of Saturday Review magazine; Hale Champion, director of finance for the State of California; author Leo Rosten, Dr. Robert Hayes, director of the University of California Institute for Library Research, and author and restaurateur George M. Markikian.

Every aspect of librarianship from constructing new buildings and book censorship to reference methods and the improving of technical processes will be discussed at the dozens of meetings scheduled.

California Library Association President Harry M. Rowe, (director of the Fullerton Public Library) said attendance is expected to break all previous records because of the important subjects to be discussed and the location of Los Angeles.

The Guy Knudsens of 3840 Valleylights are understandably excited: daughter Sherri will be getting married in December to William Wegge III. More later.

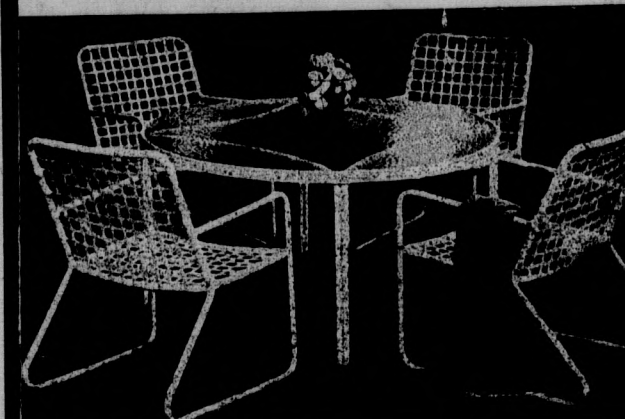

A smile from a cute thing often brightens up the day.

SPORTS AS Hank Ives SEES IT

ORIOLES TO WIN THE WORLD SERIES... THAT'S WHAT THE MAN SAYS

WOULD YOU BELIEVE that Old Hankus is boarding the Baltimore bandwagon for the World Series? It may be 162 games late. The ancient one, with great presence of forethought, tabbed the Orioles to finish sixth in the A.L. pennant race this year. His theory being that Baltimore had traded away too much pitching, and after all, didn't the Dodgers prove you had to have the golden arms?

SO WHAT HAPPENED? The O's win it without pitching, the Dodgers win it with Alston's masterminding and some incredible flippers.

THE DODGERS had to go through a fantastic closing pennant rush. Big question is — can they again pick up momentum enough to take care of the big Oriole boppers?

QUICK ANALYSIS... Baltimore can "run" with the Dodgers. They haven't had to do it much this year because of the presence of big gunners who belt the seed, out of the ballpark. Frontline pitching is "out to lunch" with 15 and 13 game winners heading the staff. Not much to recommend compared to Koufax-Drysdale-Sutton.

IT REALLY BOILS DOWN to hitting versus pitching and a relaxed team that clinched the flag weeks ago against a squad that had to

battle right to the wire. Old Hankus goes with the power boys and a strong Baltimore bullpen, but it will certainly take seven games to accomplish.

FINAL NOTE... Dodger fans take heart. Old Hankus wasn't exactly brilliant in his diamond predictions this year.

FOOTBALL, HOWEVER is something else. Hankus tabbed 17 of 20 last week to make his season's total read a nifty 48-12 and 80 per cent.

THE HARBOR-PCC clash Friday night before the TV cameras of Channel 13, could be one of the best of the year. Both teams are loaded but Hankus has a feeling that this will be a big year for the Lancers. Make it 26-21 for the locals who may be off and running toward a bowl engagement in December.

MUIR should bounce back for a Foothill League victory over Burbank if they aren't completely shell-shocked after the awesome Centennial tiff. Dave Buchanan can score from anywhere on the field and should be worth a couple of TDs in every contest.

TOM HAMILTON'S Bulldogs face Glendale Friday night in the Rose Bowl and Hankus sticks with the Red and White. Young Mike Hawkins has proved he can do the job at QB and the stingy Canine defense has yet to be scored upon.

BLAIR has come up with

News From Your... COMMUNITY HOSPITAL

It's a boy for Mr. and Mrs. Michael Kelsey of 2113 Colorado Blvd., Pasadena. His delivery at Sierra Madre Community Hospital on Wednesday, Sept. 28, rather upset plans for the pink and blue shower which was to be hosted by Mrs. Richard Crook Jr. the evening before. The party went on but the spark was gone since the guest of honor was busy at the hospital getting to be a mother. Sean Michael weighed 6 pounds, 7 ounces at birth. Maternal grandparents are Mrs. Betty Jean Crook of Sierra Madre and Richard Crook of Corona del Mar. Paternal grandparents are Mr. and Mrs. Kelsey of Sierra Madre.

Julian and Maria Teran hit the jack pot at last, for now they have a son! Delivered at Sierra Madre Community Hospital on Saturday, Sept. 24, this precious bit of humanity weighed 7 pounds, 8 ounces at birth. He was named Jose Julian. His sisters at home at 30 La Porte St., Arcadia, are Gracia, Rosa Maria, Cecelia and Josephine.

Mr. and Mrs. Garrick Staples have a Junior now since their son, Garrick David, was delivered at Sierra Madre Community Hospital on Sunday, Sept. 25. At birth he weighed 6 pounds, 4 ounces. The Staples live at 1052 E. Villa St., Pasadena.

A resident of the British Home in Sierra Madre is Mrs. Marie Worley, who was a medical patient in the Sierra Madre Community Hospital for several days during the past week.

A word to the dancing wise (or should one say wives?): the VFW Club on Montecito is going to try having a dance every Saturday night, open for the public. If attendance is good it will become a regular event, and wouldn't that perk up the quiet town for many who take off for other scenes for weekend fun?

Sierra Madre also boasts a great grandmother, Mrs. Edna Schoeck, another Sierra Madrene.

Mrs. Ernest Pederson of 535 Woodland Drive, Sierra Madre, had convalesced sufficiently to return to her home last Friday after several days as a patient in Sierra Madre Community Hospital.

Little Les-

Alumnae Association Of Kappa Delta To Hold Meeting Tuesday, October 11

The members of the Pasadena Alumnae Association of Kappa Delta will meet Tuesday, Oct. 11, at 7:30 p.m. at the home of Mrs. Donald S. Tuttle, 2000 S. Third Ave., Arcadia, for a combined dessert and business meeting. Committee members for this event are Mrs. Richard H. Linberg, Mrs. Leon Foley and Mrs. S. Leroy Bradley Jr., Arcadia. This will be Magazine Sales Night, proceeds of which are used for the group's philanthropies.

A Founder's Day ceremony will pay tribute to the founding of Kappa Delta Sorority at Longwood College, Farmville, Va., on Oct. 23, 1897.

The first National Panhellenic Conference sorority to select the care and aid of crippled children as its national philanthropy, Kappa Delta gives \$10,000 annually toward the support of six beds at the Crippled Children's Hospital in Richmond, Va. In addition to this aid, the sorority regularly makes contributions for special projects or equipment for the hospital. Individual members contribute to the Hospital Fund by purchasing Kappa Delta Christmas Seals. Members provide gifts of toys and clothing for the children throughout the year. Chapters and alumnae associations also assist crippled children in their own communities.

In recognition of outstanding research in the field of orthopaedics, Kappa Delta presents, annually,

annually, three Kappa Delta Orthopaedic Awards. The award carries a \$1,000 grant and is administered by the American Academy of Orthopaedic Surgeons. Established in 1947, the awards have been presented annually since 1950.

Dear Editor: This being the holiday day season when we remember our loved ones prompted me to write the following: "Love Your Enemies" (Matthew 5:44)

All my enemies I try to love Because 'tis ordered from above. For them, on Christmas, gifts are barred. I don't send them even a card. Love is something hard to define. Could there be anything wrong with mine? —HORACE L. GOULD.

P.S. If I ever had any enemies, they must have passed on, as I'm halfway between 80 and 90. —H.L.G.

Win and Loss

Midgets won from Temple City last Sunday, 29-0, but Pee-Wees lost to Temple City, 27-0. Next week home games at Victory Park, starting at 11 a.m. Saturday, Pee-Wees playing West Covina Eagles and Midgets versus Rosemead Rebels.

Former Rose Queen Dies

Former Rose Queen of the 45th Rose Parade in 1935, Mrs. George Oxford, known to Sierra Madre residents as Treva Scott from the years she lived here with her parents while attending Pasadena City Schools, passed away at age 52 last Friday, Sept. 30, in San Francisco's Franklin Hospital.

She is survived by her husband; two sons, Thomas, 26, and James, 24; her mother, Mrs. Beulah Scott; her father, Edwin M. Scott of La Jolla; a brother, Edwin M. Scott of Tujunga; twin sisters, Mrs. Vera Balou of Oakland and Mrs. Melva Malan of Sierra Madre, and a grandson, Christopher Scott.

M. E. Hinton Passes Away

Marion Edward Hinton, 74, of 283 W. Montecito, resident of Sierra Madre and this state for 19 years, died Sept. 29 at the Parkwood Convalescent Hospital after a brief illness.

Mr. Hinton, a native of Kentucky, had worked before his retirement as a construction supervisor for the U. S. government in connection with the Panama Canal. He is survived by his wife, Grace, of this city.

Funeral services were held last Monday by the Sierra Madre Masonic Lodge No. 408 at the Ripple Mortuary, followed by interment in Live Oak Cemetery, Monrovia.

October Meeting Of Pro-America To Highlight Issues

The October meeting of Pro-America will highlight a two-part program, according to Mrs. Barton Jones, program chairman. Mrs. Margaret Pierce, a research analyst of recognized ability, will lead a discussion and analysis of the propositions appearing before the voters on the November ballot. The second part of the program will be a film entitled "Education or Indoctrination." With a new school year beginning and an increasing awareness of the methods and types of textbooks being used in our public schools, this film has evoked a great deal of interest from parents of school children all over the state.

Mrs. Walter W. Koenig, president of this organization which attracts women from all over the San Gabriel Valley who wish to keep informed on political issues of the day, has announced that the meeting will be held at La Casita del Arroyo in Pasadena at 10 a.m. on Oct. 12. Luncheon will be served to all members and their guests following the program.

Mrs. Lurich Bray, hospitality chairman, will be in charge, assisted in the hostess duties by Mrs. Carl Mason, Mrs. Lawrence Colin, Mrs. David Shooshan and Mrs. Sam Hayward.

Awards Given

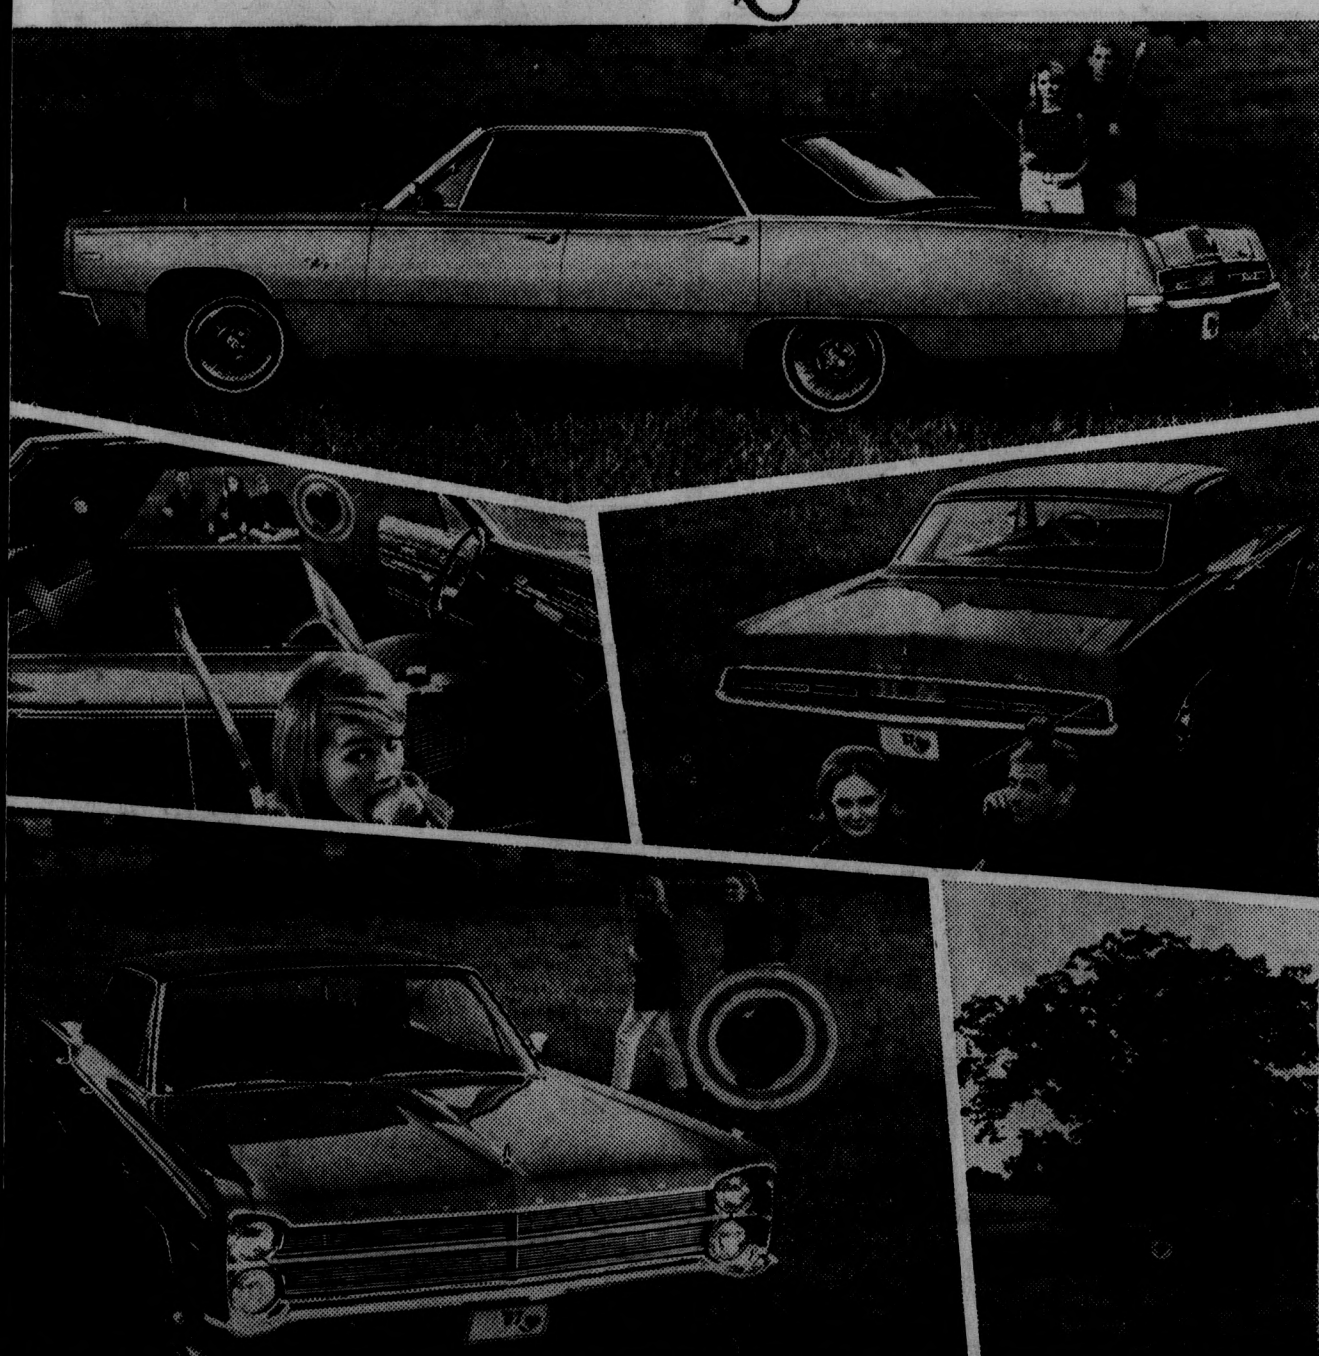

city's celebrated hero of World War I, who will receive the official certificate for the life membership he was actually awarded some five years ago and in addition will receive a pin indicating his 45 years of membership in the VFW.

A pin for 30 years membership will go to Jack Ort; one for 25 to Francis Eakman. Those receiving 20 year pins will be: Samuel Embree, James Heasley, Leo Smith, John Kennedy, William Marsh, Don Jackson. Fifteen year pins go to: Carl Cullum, Al Foxton, Arthur Hoffmire, Byron Hulme, Leon Jenkins, David Tiller. Those receiving 10 year pins will be: Roy Davis, Jim Keller, Bill Kiggins, Carson Thomas, and 5 year pins, Frank Burke, Don Carpenter, James Cole, John Fisher, Robert Fletcher, George Grijalva, Harold Hyde, Dick James, B. G. Jetter, Richard King, Harold Klingman, Clifford Martin, Robert Schmitt, John Tuelon, Cliff Todhunter.

In addition, pins will be awarded for services as Past Commanders, to Eugene Colbert, Carl Cullem, Roy Davis, Francis Eakman and Jack Ort. Membership recruiters earning pin recognition are Bruce Bishoff, William Kiggins, Ronald Morse, John Szerszen, and Charles Wilson.

YOUR CHURCH IS WAITING FOR YOU Meet Your Friends There.

Plymouth is out to win you over this year.

Collection of Toby Mugs On Display At Library

By CATHERINE CALCAPRINA

Currently at the Sierra Madre Library a colorful collection of Toby Mugs is on display. The collection belongs to Mrs. Dorothy Hamlin of Sierra Madre, formerly of Panama, Canal Zone.

The Toby Mugs are Royal Doulton of England. From a book, "Small Antiques for the Collector," by Therle Hughes, we find: "From 1858, when Doulton took his sons into partnership, small glazed stoneware was shaped into hunting mugs, claret jugs, toby jugs, in natural clay tints banded with rich brown glaze." The collars in this display are brilliant. The potters designed their Toby Philpots in their individual ways, which originally was of an old man dressed in the costume of the period seated in front of the village pub.

In this display we have the Beef Eater, who represents the guard in front of the Tower of London; Sir Francis Drake, a very handsome one; Parson Brown, the benign looking one; the unmistakable Jester with green and yellow ears; Old Charlie, Sir John Falstaff, with beautiful deep rose base and handle; the distinguished looking Cardinal with a deep maroon handle; Old King Cole with golden hair; Jolly Farmer John, gay Dick Whittington, Simon, the Cellerar, Old Mac, Sairy Gamp, the Granny, white wigged Sam Johnson, Paddy, and Sargent Bussfuz.

From "Pottery and Porcelain" by Warren Cox, we read: "Ceramics, the art of making things in clay and baking them, is among the most ancient arts of man. Before men learned to chip

stone (the paleolithic periods), he had learned to make clay cups."

"In pre dynastic Egypt as early as 4321 B.C. red and black pottery was made and decorated with some angular ornament and freely drawn human and animal motives." In the Toby Mugs we have the cup in the shape of characters of Dickens, of American statesmen, of Toby Philpot, the Patron Saint of the Tavern.

There are other books in the library containing bits of information pertaining to the Toby Mug with some illustrated; one was of Benjamin Franklin of Staffordshire were found in the City of New Orleans. Another showed a caricature of Charles II wandering about England after his defeat at Worcester in 1651 before he escaped to France. So history is captured on the mug.

From the book mentioned above by Mr. Warren Cox, one finds a comprehensive history and description of the processes of making pottery, etc. "It is intended for all craftsmen and who would make things of fired clay or any branch of ceramics, who would like to widen their general outlook or knowledge..." So this exhibit of Toby Mugs might for some create a desire either to collect or make their own cups of fired clay.

By Robert Evans

potatoes and some congealed gravy. In a few cases, the mother has not killed the children, but has been unable to stop screaming. This result is, in many ways, worse than any other possible outcome.

— CT —

CATASTROPHIC CLIMAX: A magnificent display of feminine intuition. The finest scientific minds of this decade have yet to discover how a wife, from another part of the house, can demand the instant presence of the husband at the most exciting split-second of any sports contest. Let it be the last game of the World Series, let it be the last of the ninth with two outs, let Koufax be on the mound with the bases loaded with two strikes, and she will call the husband EVERY TIME.

— CT —

I noticed with great interest the other day that various new car manufacturers have raised the prices on the new 1967 models. They claim it is necessary because of all the new safety features demanded by the government.

— CT —

At the speed the general public is driving nowadays, automobiles are now coming equipped with safety belts, dash pads, harnesses, stronger windshields. Next year we fully expect a new requirement will be SEAT EJECTORS.

— CT —

In closing let me leave you with this long thought: "That 'the power to tax is the power to destroy' seems so clear and obvious, one hesitates to discuss the matter further. Yet, it must be recognized that a government without the power to collect taxes is also powerless to do anything else. If government is to protect life and property, it must have sufficient claim upon lives and property to give the necessary protection."

— CT —

But, the fact that any government does involve claims upon the lives and the property of the citizenry is the all-important reason why the scope of government would be limited. An unlimited power to destroy those under its influence is more "protection" than anyone can afford. To be defended to the end of one's resources, and then to death, is of no avail. The power to tax in indeed the power to destroy." I hope, I hope, I think.

Further citizenship note: Charles D. Wailes Jr. of 500 N. Michillinda was during World War I, the Boy Scout who sold the most Liberty Bonds, for which he was rewarded by the gift of an American flag from the President of the United States. In turn, he bequeathed his flag to his Scout troop. But now the flag is worn out, so Mr. and Mrs. Wailes, with their three oldest of their 12 grandchildren, Michael and Christopher Stockstill and Alex Wallace, have gone to Washington to receive personally a new flag, gift of our present President.

— ☆ —

Monday, despite returns to school and remodeling on the front of their home, the Sidenfadens hosted a gathering of friends to view films made by their house guest, and old friend Fr. James Dutton, from Suva, Fiji Island, where the family had visited for a week last May, after Australia, before Tahiti. Guests for the evening were Fr. Thomas O'Malley, Mrs. Joseph Barboza, Mrs. Leslie Webster, Mrs. Eleanor Sullivan, Mrs. Eleanor Miller, Mr. and Mrs. Charles Gilb, Mr. and Mrs. Bryan McGoldrick, Mr. and Mrs. Earl Schneider, Mr. and Mrs. Earl Snyder, Mr. and Mrs. Jull Cogorno, Mr. and Mrs. Ray Ramsey, Mr.

Mr. & Mrs. Bishop Urge Membership

"Don't delay—Join Today" urge Mr. and Mrs. Gordon Bishop, PTA membership vice presidents. The annual PTA membership drive will take place next week, Oct. 3 through 10.

For the small membership fee of 50 cents per person, one can participate and give large support to this fine and important organization. PTA is the great bridge between home and school for understanding and information.

Sierra Madre PTA provides programs of general interest throughout the year. It informs about vital and current issues concerning education and children. Projects are conducted for the purposes of health, safety, culture, for youth groups and for community service. Assistance is given to school principals and faculty so that they may devote full time to their curriculum duties.

Money raised is donated for child welfare in the purchasing of needed clothing, buying lunches and for camperships. Additional equipment not provided by the school system is purchased.

chased for the further enrichment of your child's school life.

Your membership is welcomed at any time. But Mr. and Mrs. Bishop suggest that you join during the drive week as a contest with prizes for the classrooms is held. Each classroom achieving 100 per cent membership will receive a pinata and candy purchased by PTA. This can be used as a classroom decoration and for their party fun. There also will be a cash prize given to the class with the largest number of parents joining, figured on a percentage basis for the size of the classroom.

Assisting the Bishops with the drive are Mrs. Walter Wesley, Mrs. James Abernethy and Mrs. Walter Zais who has made the posters.

Credit Betty Wark for keeping Bill off the mountain trails for one week-end at least; they celebrated their 27th wedding anniversary weekend of September 16 by going to Bishop and visiting friends there.

Rev. Howell's Topic Announced

Sunday, Oct. 9, at Sierra Madre Congregational Church at 10 a.m. worship, Rev. David Howell's words, "A Lesson From Sampson," will be heard. This is a review of the life of the Old Testament personality, Sampson. In looking at Sampson, we see what happens to a man who, while being physically strong, gives very little of his strength to God.

Under the direction of Carl Beilstein, the Chancel Choir will sing "Blessings of Peace" by Lengelsky. The Junior Choir also will sing and their selection is the old hymn, "Tell Me the Stories of Jesus." Mrs. Doris Murphy is director of this choir.

Special guests will be the members of the Kiwanis Club of Sierra Madre at the 10 o'clock worship service. The visit is sponsored by the Kiwanis support of Churches committee and Mr. Carl Hobson is chairman.

Look for your neighbor in church this Sunday.

'Are Sin, Disease, And Death Real?'

"Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases."

The Psalmist's assurance of God's healing power is included in the Christian Science Lesson — Sermon titled, "Are Sin, Disease, and Death Real?" to be read in all Christian Science churches this Sunday.

The account of the woman who was healed simply by touching the hem of Jesus' garment is also among the Scriptural readings.

A correlative passage to be read from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, declares: "Divine Truth, Life and Love gave Jesus authority over sin, sickness, and death."

Marionettes Back For SM Children

A return performance of the Bob Baker Marionettes will delight the children of Sierra Madre on Saturday, October 8, with talk, song, and animated dance. Performing to an audience seated in a semi-circle on the floor, the marionettes have a special appeal to children of all ages by achieving an unique intimacy between the audience and the puppets.

The show, sponsored by the Parents' Club of Ascension Episcopal Parish Day School, Sierra Madre, will be held at the Sierra Madre Women's Clubhouse, 270 W. Sierra Madre Blvd., Sierra Madre, from 12 a.m. to noon, Saturday, October 8.

Tickets, at \$1 per person, may be obtained by calling Mrs. John Matter, 355-2667.

Dr. Barnhart Announces Her Sunday Topic

A tuitional class: "Science of Being" is being conducted by Dr. Ethel Barnhart, at the Santa Anita Church, 226 West Colorado Boulevard, Arcadia for ten weeks beginning Wednesday, October 5 at 7:30 p.m.

This class is open to all who desire to progress into a way of life that is part of the New Age. It has never been taught before and will be presented in the New Age manner in light of this time in the evolution of man from the kingdom of man consciousness of limitation of all kinds to the Kingdom of God Consciousness that frees man into the actualization of his potential self.

The class will remain open for enrollment until Wednesday night, October 12. Call the church, 446-8206, for detailed information. This course is designed to open each one, taking it to a "new life" — not a patched-up old one.

"Power of Simple Yes-Or-No Choice" is the subject of the lesson-sermon of Dr. Barnhart at the Santa Anita Church, 226 W. Colorado Boulevard, Arcadia, Sunday, October 9 at the 11 a.m. worship service. The invisible, far-reaching effects of what appears to be a simple choice will be discussed and how to be sure your choice will maintain balance and order in your world. The public is invited. For your convenience child care is provided for infants and very young children.

Children from kindergarten through high school have graded classes in spiritual education at 11 a.m. every Sunday.

Thursday, October 13 at 1 p.m., Mrs. Anna Dozier will review: "Tell No Man" by Adela Rogers St. Johns. This is a best selling novel which has received wide acclaim and we cordially invite all women to attend this review and bring your friends.

"Dial-For-Prayer, 447-6162, offers you spiritual help day and night," according to Dr. Barnhart.

Defeatist Philosophy: Doing work ahead of time means that you get more work to do.

Bethany Church

Two items of interest will be emphasized in the worship services at Bethany Church of Sierra Madre this coming Sunday, October 9.

In the morning services at 8:30 and 11, the pastor will continue his series of messages on the book of James and the church will be reminded of the work of the Evangelical Welfare Agency, an adoption agency begun through the efforts of Pastor Schaper and other members of the National Association of Evangelicals. More than 500 babies have been placed in Christian homes through it.

Pastor Jim Spillman, minister of Christian education and youth, has announced a special youth service for the evening meeting at 7. One unusual part will be the report of Mr. Bill Swanner, a student at Fuller Theological Seminary, who spent this past summer in parish work in Harlem, and who now lives with his family in East Pasadena. Mr. Swanner will also be speaking to the College group of the church following the evening service.

'The Holy Spirit In the Church' To Be Theme For Rev. Hesse Sunday

Monthly Weekday Bible Class on Thursday morning at 10; the Lutheran Women's Missionary League on Thursday forenoon at 11; and the Thursday church membership study classes for junior at 4 and for adults at 8 p.m.

On Tuesday evening at 7:30, the members of the Church Council will attend the District Work Program Conference at Trinity Lutheran Church in Covina.

Letters To The Editor . . .

Dear Editor:

Just a note of appreciation for your part in helping to make the hospital dinner in honor of Lester Layton, a resounding success.

We not only appreciate your running the advance story of the planned dinner so that the community was thereby given an opportunity to join with us in the notable event, but we also appreciate your printing the dinner tickets for us without charge, as your contribution toward making the occasion a real success.

Clipped Wings Meet Locally

The annual membership meeting of Clipped Wings, the United Air Lines Stewardess Alumnae Association Inc., was held September 27 in the Sierra Madre home of Mrs. Leon van der Wyk, Area vice president.

Twenty-five potential Clipped Wings members were guests and learned of the group's social and charitable projects. Mrs. Victor Blum, Pasadena Recruitment chairman and Mrs. Robert Rochetto, Los Angeles Area Recruitment chairman reviewed the organization activities in recruiting prospective new stewardesses for United Air Lines.

Mrs. Wilfred Stroud was named rummage sale chairman for the springtime fund raising project. Mrs. Richard Krotz will be contributing editor for Tail Winds, Los Angeles chapter newspaper of Clipped Wings.

Award

James M. Tibbot, 326 N. Mt. Trail, has received a "Best of Breed" award in senior pigeon competition at the Los Angeles County Fair. He received his award for old cock black West of England tumbler (show type).

Letters to the Editor

Dear Editor:

So we're scamps for gallivanting to shop, depriving the city of sales-tax revenue! Maybe now more of us will buy here if the merchants can supply the kind of merchandise we want for no more than we'd pay elsewhere. Situated as we are, surrounded by larger towns and near a big city, competition is bound to be tough. I'll bet it would be different if the town were miles from "nowhere."

I visited in an out-of-state town, population same as ours. Nearest larger town 60 miles away. Only a few scattered villages. The business district was teeming, sparkling, fine restaurants, hotels, motels, shops, shopping centers. They even have traffic control signals. Never did I see a cyclist or skateboarder on the sidewalks of downtown. There's a modern city hall, beautiful county-seat courthouse, a very fine high school. Spacious parks and many tourist attractions. With a tax rate much lower than ours.

Contrast this with our inadequate jail, our crummy city hall, our small business district, our one and only quaint, but nice, hotel. We, with our high tax rate cannot afford a school district of our own. Wonder if there's another town in the USA as big without even

one traffic control signal.

I went to the business district late in the afternoon. At Lima an impatient eastbound driver swished by, leaving me in the middle of the street. A west-bounder swished by at my back. As I got into the business district five grinning cherubs on bikes were weaving out into the busy street and back onto the sidewalk. One beamed for me but I dodged. I went into a shop. When I came out a tall lean boy on a long thin skateboard came near crashing into me. Now this is agin the law in the business district but the youngsters don't seem to know it. I walked eastward intending to cross at Baldwin. Quietly two of the cyclists passed, one on each side of me. Had I veered I might have been run into. Why don't the little dears have bells on their bikes? When I got to Baldwin the traffic was so heavy I didn't have the courage to try to cross. So I walked back home, dodging more cyclists and skateboarders.

At our corner I've learned to be cautious. STOP (painted white in the street) and the white line are so placed a driver could kill a couple of peddies and still honor the stop sign. So I stood and watched a driver make a right without signaling and another "run" the stop sign. And what did I buy to boost the sales-tax during this "hazardous" expedition? Three greeting cards!

—LILLIAN B. SAGE

Adult Tennis Lessons Offered

The Sierra Madre Parks and Recreation Department is extending the summer tennis lessons for adults into the winter. Two sessions will be provided starting on Monday, October 17.

A session will consist of one hour lessons on Monday and Thursday from 6:30 p.m. to 7:30 p.m. for a length of three weeks. The second session will start November 7. Classes will be limited to eight people and will cost \$5. They will be held at Memorial Park tennis courts, 292 W. Sierra Madre Blvd.

Registration will be held at the City Hall, 55 W. Sierra Madre Blvd.

Who can remember the old religious camp meetings?

Membership Tea, Guild Luncheon For St. Rita's

Mrs. W. Gerald Driscoll, president of St. Rita's Guild, extended greetings to 145 parish women at a combination membership tea and regular Guild luncheon meeting on Tuesday, Sept. 20.

The luncheon menu was planned and served under the direction of Mrs. Jules Ruggles, membership chairman; Mrs. Gerald Dreaan, refreshment chairman, and Mrs. Ralph Bartolme, school chairman. They were assisted by Mmes. Vincent Burcham, Martin Yurich, Donald Stewart and John Gendron, room mothers for St. Rita's 8th grade class.

Centerpieces of ornamental trees wrapped in pastel pink, light olive and pale orange satin ribbon with tiny bows of the same multi-colored material tied at random along the miniature branches were placed upon elegant pink linen tablecloths set with light olive napkins. A large tapering bouquet of orange carnations, light green chrysanthemums and pastel daisies provided a picturesque setting for those seated at the head table which included Mmes. W. Gerald Driscoll, Frank Kromka, Charles Boggs, David Duran, Donald Termath, Ralph Bartolme, Jules Ruggles and the Rev. Thomas O'Malley.

Mrs. Frank Kromka, program chairman, introduced Allen Burke, concert pianist, who chose as his selections the "Nocturne in E Minor" and "Fantasy Impromptu" by Chopin, De Bussy's "Pagodes" and "The Galloping Comedians" by Kabalevsky, at the conclusion of which he received a standing ovation. Master Burke, son of Mr. and Mrs. George Burke of Arcadia and an 8th grade student at St. Rita's School in Sierra Madre, has won numerous awards for his talented performances. Having repeatedly won first place in the National Search for Talent held each year in Pasadena, he has placed first in the annual Coleman Chamber Music Auditions at the California Institute of Technology and also received first place honors in the 1966 San Gabriel Valley Symphony Young Artists' Concert last March.

The next regular Guild meeting will be held in the school hall beginning at 11:45 a.m. on Tuesday, Oct. 25.

You and Your Neighbors

by Mary-Madeleine Lamphier

Even artists have school time to cope with and the Lee Wexlers are no exception; especially since they are teachers of art as well as creators. Son Mark is happily enrolled at Wilson and the family has settled in for hard work after their pleasant couple of weeks at La Jolla. Mrs. Wexler is not teaching full time at present, since she is working toward her MA in art.

Now Mrs. Williams will be helping Mrs. Lynn E. Bush, president of Creative Arts Group board of directors reinvitations to the informal gathering slated for October 12 at the home of Mr. and Mrs. Paul Camplon, 2215 N. Santa Anita, when board members and husbands and group instructors will give a special welcome to the six new instructors of this year, who are: Thomas Laurson, Igor de Kinsky, Mary Sharp, Mary Minamoto, Hans Bender and Ellen Fregus. Looks like a creative year in our art colony.

Mrs. Craig Williams is turning her attention to art as keeper of the newsletter for Creative Arts Group. She reports a very swinging couple of weeks at Laguna, when she and daughter Karen, 16, of Arcadia High, were hostesses for their own

"teen post," but the ensuing round of activities would not merit the label of vacation for a mother, though she says she never had so much fun despite exhaustion. Guests were niece Lisa Cortner from Fremont, Sally Johnson, Arcadia High senior just back from 6 weeks stay with a family in Mexico City; June Harney; and Andy and "Moe" Helms, for a few days with Ken Johnson and Brian Carmel stopping in daily.

If you minimize smog as a menace, hear this: when Candace Evans celebrated her eighth birthday with a swim-barbecue party at her home high up in the hills, her mother went all out and put up some 60 balloons in decorative clusters. Next morning, when the smog rolled in and up, imagine Mrs. Evans' dismay when steady popping was the result and the gay colors hung in shreds. Just in case you've been blaming a cough on cigarettes...

If you haven't yet caught up with the one-man show of 23 oil paintings by neighbor Mrs. A. M. Bonney of 400 E. Highland, better hurry because this exhibit at the Arcadia Library, Duarte at Santa Anita, will run only till Oct. 1.

**"GAS AIR CONDITIONING?
IT'S REFRESHING!"**

**"But how do you
get the dog
out for a walk?"**

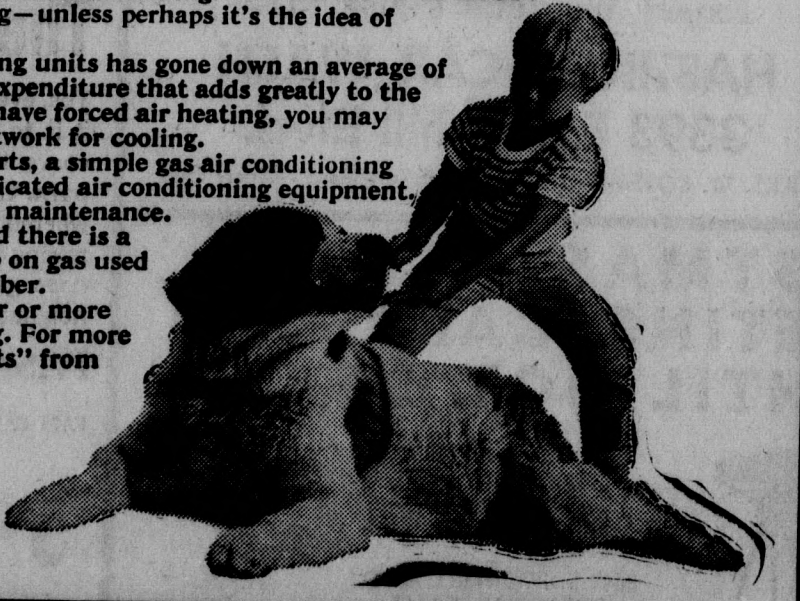

Everyone likes it better inside with gas air conditioning. There's just nothing more refreshing—unless perhaps it's the idea of saving money.

The initial cost of gas air conditioning units has gone down an average of 20% in the last five years, and it's an expenditure that adds greatly to the long term value of your home. If you have forced air heating, you may be able to save by using the same ductwork for cooling.

With a bare minimum of moving parts, a simple gas air conditioning unit lasts twice as long as more complicated air conditioning equipment. That means big savings on repairs and maintenance.

As a fuel, gas is most economical and there is a special low rate with savings up to 25% on gas used for air conditioning May through October.

Nothing takes the heat off you better or more economically than gas air conditioning. For more information, write for "The Quiet Facts" from The Gas Company.

Editorially Speaking

White Cane Days

Our local Lions Club has almost completed the fund raising drive for its sight conservation program and we hope everyone has either contributed or makes it a point to contribute to this worthwhile project before the drive is over.

Taking into consideration all of the fine work the Lions Club accomplishes throughout the year we must consider the work they do for the blind and in the field of sight conservation as among the most important. The group certainly warrants the highest accolades for the effort they put into this program. Although there is much fanfare to the fund-raising drive, their day to day work of making the most from the use of these funds is carried on quietly and discretely to provide aid wherever it is needed, regardless of race, creed or color.

The diversification of their sight program ranges from operations on the eyes of persons whose sight can be either restored or saved, to the operating of clinics and testing machines to cull out those who have sight problems.

Be sure that YOU are among those who donate to this worthy cause, and in case a Lion misses you for your donation, look up a member of the Club and pass on a dollar or so to give the club a boost. Your money will go a long way in this program and the dividends you will receive in the satisfaction of knowing you helped will be worthwhile.

Give NOW — just a few more days left and wear your little plastic cane, a sign that you gave, with pride.

Big, Big Government

Recently we attempted to point out to local residents that there were many local groups seeking help to carry on their service projects and community activities and it has just occurred to us just how large an organization local government has gotten to include. It sort of reminds us of the old cliché of "Too many chiefs and not enough Indians." We haven't gotten around to counting up the number of people involved in commissions, committees, employees, elected officials, etc., but all in all, it is getting to be a considerable number.

Anyone, who is willing to donate his time, could find a spot somewhere that he would be suited to, with all of the diversification available locally.

Those groups that come to mind just off-hand, and you could probably help us add to the list include:

The elected officials, City Council, the numerous employees, the Volunteer Fire Department, The Volunteer Police Reserve, the Ad Hoc Water Committee, the Planning Commission, the Parks and Recreation Commission, the Parking Commission, the Library Board of Trustees, the newly organized Fire Commission, the soon to be organized Zoning Board, plus possible sub-committee that have slipped by our notice.

It is hard to realize just how many people are involved, in one way or another, with keeping local government functioning. It would really shake us up if we were paying all of these people for the many hours involved. Can you just imagine what our tax bill would look like if we didn't have a goodly share of civic-minded citizens to pitch in and give a hand where it will do the most good.

Try also to envision the total number of hours involved monthly or yearly in keeping the town of 12,000 plus population operating at an efficient level. Even the most conservative guess would probably reach astronomical figures.

Index of Civilization

About all the average person knows about electricity is that when you flip a switch, the light comes on, or the stove gets hot. Beyond that, public knowledge of electric power generation is, at best, extremely vague. There is a more or less general understanding that electricity comes from turbines that are turned by either falling water or superheated steam produced from various fuels. Generating plants are costly affairs. Power from them goes to market over hundreds of miles of transmission and distribution lines.

To the layman, the power industry consists of these generating and transmission facilities — as unchanging as the light switch on the wall. In reality, the electric industry is the center of a world of technological change. Research and development is continuing constantly in the endless quest for more efficient ways of generating and distributing electrical energy. A modern electric plant is as far removed from its predecessor of a few years ago, as a jet plane from a Model T Ford. Thanks to the relentless pursuit of perfection in the generation of electricity, electric power has become a primary index of civilization.

Coffin Nail

The present proposal to increase the weight and size of packages carried by parcel post would, in effect, change the established transportation policies of the United States. Those policies have rested on the principle that transportation should remain a function of investor-owned enterprise.

The argument in support of expanding parcel post rests mainly on the theory that it would reduce parcel post deficits by \$40 million. However, competent authorities have questioned the validity of this argument. But, even assuming the parcel post could be reduced by some \$40 million through expansion of its operations, such expansion of below-cost government competition with private business is too high a price to pay.

As a railroad spokesman pointed out, "If it were our national policy to discourage self-supporting private enterprise in the transportation field, and our policy is exactly the opposite, Section 3 of H.R. 14904 is precisely the sort of legislation that would be designed to foster such an objective." The same spokesman pointed out that privately-owned package carriers would be faced with "inherently unfair" competition by extended parcel post service because the Post Office Department pays no taxes, rent or other space charges in post office buildings, and no interest on handling facility investments. It has no expense of providing working capital and escapes part of the costs of employee retirement benefits.

Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre, California, Los Angeles County, Post Office Box 37, Telephone MA 3-3234 or 5-3235.

The Sierra Madre News, Official Newspaper of the City of Sierra Madre, is declared a Newspaper of General Circulation for the publication of legal notices, as defined by Section 4460 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1958. Adjudication Decree Number, 404,764.

A First Class Newspaper entered as Second Class Matter at Sierra Madre Post Office October 2, 1956, under Act of Congress of March 3rd, 1879.

R. Robert Evans
Peggy L. Evans
Editors and Publishers

NOTE—The opinions expressed in credited columns of the Sierra Madre News are those of the writers and do not necessarily represent those of the News.

Letters addressed to the editor of the News are welcome, however, they must be signed with correct name of the writer. The writer's name will be withheld if requested. Individuals may feel free to express their ideas insofar as they remain within the bounds of propriety, however, letters attacking individuals or personalities will not be published. Subscription Rates: In Los Angeles County — \$5.00 per year. Elsewhere in the United States \$5.50 per year. Foreign Countries, 42¢ Mail, Second Class, priced upon Application. 10 cents per single copy.

FREEDOM AT ANY PRICE

by DR. HENRY V. WITTY

Management of this newspaper is capable of answering questions to this column; however letters to the editor will be published and answers forthcoming from the writer. Articles are of the writer's own making.

What has happened to our national morals? An educator speaks out in favor of free love. A man of God condones sexual excursions by unmarried adults. Movies sell sex as a commercial commodity. Book stores and cigar stands peddle pornography. A high court labels yesterday's smut at today's literature. Record shops feature albums displaying nudes and near nudes. Night clubs stage shows that would have shocked a smoker audience a generation ago. TV shows and TV commercials pour out a flood of sick, sadistic and suggestive sex situations. A campaign is launched to bring acceptance of homosexuality. Radio broadcasts present discussions for and against promiscuity. Magazines and newspapers publish pictures and articles that flagrantly violate the bounds of good taste. Four-letter words once heard only in bar-room brawls now appear in publications of general distribution. Birth control counsel is urged for high school girls.

Look around you. These things are happening in your America. In the two decades since the end of World War II, we have seen our national standards of morality lowered again and again.

We have seen a steady erosion of past principles of decency and good taste. And—we have harvested a whirlwind. As our standards have lowered, our crime levels and social problems have increased.

Today, we have a higher percentage of our youth in jail... in reformatories... on probation and in trouble than ever before.

Study the statistics of illegitimate births... on broken marriages... on juvenile crimes... on school drop-outs... on sex deviation... on dope addiction... on high school marriages... on crimes of passion. The figures are higher than ever and going higher.

Parents, police authorities, educators and thoughtful citizens in all walks of life are deeply disturbed. They are responsible. We of the older generation are no better and no worse than we were at the same age. Generally, they are wiser.

We believe this is wrong. We are convinced that a majority of our citizens would welcome an increase in patriotism and prayer and a decrease in the peddling of sex, sensationalism, materialism and sordidness. We do not propose prudery. Neither do we propose wild-eyed fanatical patriotism.

If the general public is as deeply disturbed as we are by the decline in national morals and in national pride, let it speak out. Together we can put down the sex peddlers without lifting the blues. And, with God's help, we can put prayer and patriotism back in our classrooms. And in our hearts and homes, as well.

—(San Francisco Examiner, January 18, 1965).

Prayer was banned from the classroom and the traditional schoolbooks that taught moral precepts as well as reading were replaced with the inane banalities of "Dick and Jane."

Basically, there are just two main streams of religious thought in these United States. Those who believe in a Supreme Being. And those who do not. The first group far outnumbers the second. But—this nation that was founded on the democratic concept of "majority rule" now denies the positive rights of many to protect the negative rights of a few.

As prayer went out of the classroom so, too, did patriotism. No longer are our children encouraged to take pride in our nation's great and glorious past. Heroes are down-graded. The role played by the United States in raising the hearts and hopes of all enslaved peoples for a century and a half is minimized.

Our youngsters are no better and no worse than we were at the same age. Generally, they are wiser.

Crib Crop You and Your Neighbors

by Mary-Madeleine Lamphier

Mr. and Mrs. Ray Paterson of 337 E. Alegria announce the birth of their third child, Heath Falconer, born September 7, at Methodist Hospital of Southern California, Arcadia. He weighed 6 pounds, 12 ounces at birth.

Heath has a sister Rachael, 5, and a brother Leonard, 9. His great grandmother, Mrs. Ruth Paterson lives in Altadena. Grandparents, Mr. and Mrs. Stanley Paterson travel a good deal but have homes in Altadena and at Lake Tahoe, so they will also be close enough to visit now and then.

The News had it's page ad re the tax strike mentioned on the Channel 4 news broadcast of Elmer Peterson last Friday.

Mr. and Mrs. William Schwartz, 282 E. Highland, maintain their vacation traveling came about from having guests this summer, which caused them to see much more of the country hereabouts than they normally would. First visitors were Mr. Schwartz' sister and her husband D. Laurence Le Fevre, head of the math department at Eaton College, followed by a visit from Dr. and Mrs. Christopher Gowen. Dr. Gowen is professor of languages at Eaton.

More than likely to appreciate the good work of our local fire fighters is the Gordon Caldwell family of 161 E. Grand View. When they were on vacation in Oregon, after exploring San Francisco, they had to drive in smoke for two days, due to the big forest fire up by Cottage Grove. They did enjoy the trip otherwise, visited the Oregon Caves and Crater Lake, had all four children along: Judy and Terry, who attend PHS; Connie, Wilson Junior High, and Jerry, Sierra Madre.
